

CANCER CURED

—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

CITY COUNCIL.

Continued from third page.
ment, Councilman Johns said a fair valuation of their present worth had been put upon them. The water commission was anxious to dispose of a part or all of them, so that there might be more city taxes and water rents paid by actual citizens. Thompson believed the lots could be advantageously held for a time and was afraid of speculators gobbling them all up, and was opposed to their sale. Mr. Crowe, also, did not see the urgency of selling the lots at present. The motion was withdrawn and another one carried to indefinitely postpone.

The following claims were then allowed, and warrants ordered drawn for their payment:

Joe H. Blakeney, marshal	\$ 75 00
Geo J. Brown, eng fire dept.	75 00
G W Phelps, recorder	50 00

Mr. Nolan brought up the subject of the electric light question and asked the recorder for the present status of the case. The recorder replied that the company had been notified of the proposition of \$8 per light, to be shut off at 2 o'clock, and had received a counter proposition that the company would supply lights for \$10.50 per light, to be shut off at 2 o'clock. Mr. Crowe did not think the council should entertain the new proposition, and did not consider it was so good as the old one. His chief

reason, however, for opposing the further use of the lights was that he believed the city was not in a position to stand it financially. The expenditures, at a very close estimate, were running along very close to the receipts, and in the event some disaster should happen, the city would be left without a dollar to remedy it. He stated that once the lights were shut off, he thought many business men would be willing to club together and have lights at private expense. He would for one. Others of the council took the same view as Mr. Crowe; and Mr. Nolan, who opened the interesting subject, closed it by saying he did not think it was necessary to take any further action. The council had made its proposition; it was not accepted; it only remained for the Electric Light Co. to shut off the lights. These views seemed to have the approval of the council and no further action was taken.

Councilman Lauer referred to parties who were hired to work on the streets who employed their time principally in watching the hobos, and believed that hereafter those be employed who would do more work and not so much superintending. His remarks were corroborated by Mr. Wood and Mayor Menefee.

Councilman Crowe called attention to some of the streets being in a bad condition, and believed the law should be enforced requiring property owners to take care of streets adjoining their property. Adjourned.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.
