

# CANCER CURED —AND A— LIFE SAVED By the Persistent Use of **Ayer's Sarsaparilla**

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

**Easter Services.**  
Easter services were held yesterday in the Methodist, Congregational and Episcopal churches. At the two former they were very elaborate.

**AT THE M. E. CHURCH.**  
The services at the Methodist church were held in the morning, the children participating in them, in lieu of the usual Sunday school exercises. The altar was decorated with potted plants, bouquets and vines of Oregon grape. The service was chiefly singing, the choir being assisted by a number of the larger Sunday school pupils. The opening number was a chant of the Lord's prayer, followed by the apostles' creed, which were very beautiful and impressive. A song by the choir and congregation followed, and responsive reading, led by Mr. Wm. Mitchell. After prayer and a beautiful anthem by the choir, there was singing by Miss Deming's and Mr. Hill's classes. Then a recitation, "The Resurrection," by Jessie Harsell, Bennie Stevens and Eugene Davis. The "Crusaders' Hymn" was then sweetly sung by Miss Deming's class. Next came a recitation, "The Hope of Israel," by Willie Clark and Pearl Grimes. The missionary offering for the year was then taken, followed by singing by the infant class. The pastor then delivered a short address on "Missions." Singing by the congregation followed, "I Know that My Redeemer Liveth," and a benediction closed the interesting exercises. Mrs. Smith French, superintendent of the Sunday school, conducted the program.

**AT THE CONGREGATIONAL.**  
Easter services in the Congregational church took place in the evening. The services were combined with a quarterly review. The committee on program and the drillmasters were Mrs. S. L. Brooks, Mrs. B. S. Huntington and E. H. Merrill. Great pains must have been taken, as the exercises were claimed by those in attendance to have been a little the best ever given in The Dalles.

The exercises were opened with a song by the school. The three essays by Lena Thompson of Mrs. Briggs' class, Bessie Snipes of Mrs. Brooks' class, and Maud Mitchell of Mrs. Curtis' class were very finely written and contained many interesting thoughts. The subject of Miss Lena's was "The Forerunner of Christ." Miss Bessie's was "The Ministry of John the Baptist," and Miss Maud's was "The Power of Jesus." The song "We are Little Friends of Jesus" was very sweetly sung by the classes of Mrs. Gibbons and Mrs. Huntington. Mrs. Condon's infant-class also sang a very pretty song and refrain, entitled "Stepping in the Light." An Easter carol was sung by Mrs. Briggs' class, followed by a carol, "The Lilies," by three of Mrs. Curtis' class. Mrs. Condon's class gave an exercise of questions and answers, which proved very interesting, entitled, "The Good Samaritan." Miss Hill's class gave a song and exercise in connection with the lesson, entitled "Faith and Courage." Mrs. Brooks' class, which is the largest in the school,

gave a very elaborate and difficult exercise entitled "Sacred Pictures," consisting of singing and recitations. Mrs. Gibbons' class of little ones repeated the Lord's prayer very sweetly, and the benediction followed. Deserving of special mention was Mrs. Brooks' class and the trio—"The Lilies."

**AT ST. PAUL'S CHURCH.**  
Yesterday's services at St. Paul's Episcopal church were of the most interesting kind. The decorations were up to the usual high standard of other years, and the attendance during the day was so great that some were turned away for lack of room. The singing was good and especially so were the solos in the Easter anthem "He is Risen," being by Mrs. Price and Mrs. Varney. An early communion was celebrated at 8 o'clock, and at 11 was the regular morning service, followed by communion partaken by those unable to attend the service. Mr. Goss gave a most interesting and instructing sermon from St. John the xth chapter, "For as yet they knew not the scripture, that he must rise again from the dead." He spoke of what a great trial of faith it was to see their Savior hanging on the cross; the most ignoble death that could be given, and that their faith was truly a gift of God to stand such a severe test. Another trial that day also, was to see him resting in the tomb, apparently dead as were all others who had left this world. "But the first day of the week behold all was changed by his glorious arising. Oh! how wonderful the joy of the disciples when Christ manifested himself." Easter day made plain the story of Good Friday. The power of the cross comes from the power of the resurrection. Mr. Goss then referred to baptism as representing death, while the holy communion represented the resurrection. "With great joy we bless God for this day, that through the resurrection of Christ we may be resurrected to eternal life," and then closed one of the most beautiful sermons ever heard in St. Paul's. At 4 o'clock the rite of Baptism was administered, followed by a children's choral service, which, with the evening ceremonies, comprised the celebration of the day at St. Paul's church.

Blakeley & Houghton desire to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

**Two Lives Saved.**  
Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

**How to Cure Rheumatism.**  
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

**It May Do as Much for You.**  
Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called Kidney cures but without any good result. About a year ago he began to use Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. At Blakeley & Houghton's Drug Store.

It may save you time and money to be informed that, when you need a blood-purifier, Ayer's Sarsaparilla is the kind most in favor with the medical profession. It is the standard and, as such, the only blood-purifier admitted at the Chicago World's Fair.

**None But Ayer's at the World's Fair.**  
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.
