

# CANCER CURED —AND A— LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

She was the mother of five children, four of whom are now living—James Stearns of Washington, Mrs. Augusta Snodgrass of Juniper Flat, Alfred S. Bennett of The Dalles, and Samuel Bennett of Tygh Valley. She is also survived by her husband, now 81 years old. The funeral occurs Thursday at Tygh Valley.

### The Anti-Simon Convention.

PORTLAND, April 6.—The anti-Simon faction of the Republican party met today in the chamber of commerce for the purpose of completing the ticket. The meeting was presided over by Chairman Carey. After adopting resolutions denouncing Simon and calling for reform and abolishment of the fee system, a registration law to govern primaries and pledging support to Senator Mitchell, the convention adjourned till Wednesday, April 15. The fight will now be carried to the congressional convention which meets next Wednesday. Anti-Simon people claim that if the convention seats their delegates it will be a precedent for the state convention to follow.

### The River and Harbor Bill.

WASHINGTON, April 6.—The river and harbor appropriation bill passed under suspension of rules by a rising vote, 216 to 40, the opposition not being strong enough to secure an aye and nay vote. Hepburn, Republican, of Iowa, before the vote was taken, made a bitter attack to kill, especially on the Mississippi river commission.

**A Gentle Corrective** is what you need when your liver becomes inactive. It's what you get when you take Dr. Pierce's Pleasant Pellets; they're free from the violence and the griping that come with the ordinary pill. The best medical authorities agree that in regulating the bowels mild methods are preferable. For every derangement of the liver, stomach and bowels, these tiny, sugar coated pills are most effective. They go about their work in an easy and natural way, and their good lasts. Once used, they are always in favor. Being composed of the choicest, concentrated vegetable extracts, they cost much more than other pills found in the market, yet from forty to forty-four are put up in each sealed glass vial, as sold through druggists, at the price of the cheaper made pills.  
"Pleasant Pellets" cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. Put up in sealed glass vials, therefore always fresh and reliable. Whether as a laxative, or in larger doses, as a gently acting but searching cathartic, these little "Pellets" are unequalled.  
As a "dinner pill," to promote digestion, take one each day after dinner. To relieve the distress arising from over-eating, nothing equals one of these little "Pellets." They are tiny, sugar-coated, anti-bilious granules. Any child readily takes them.  
Accept no substitute that may be recommended to be "just as good." It may be better for the dealer, because of paying him a better profit, but he is not the one who needs help.  
A free sample (4 to 7 doses) on trial, is mailed to any address, post-paid, on receipt of name and address on postal card.
