The early adjournment of congress is foreshadowed, and while neither of the bills mentioned have passed, some quick effective work will needs be done before the appropriation pledged by Senator Mitchell can be secured.

The message, as it comes, contains a ray of hope. We wish that to it were added a clause saying some means would be adopted to

get rid of the engineers and contractors, whose single and combined machinations are working little good. If Senator Mitchell secures this ap propriation, we will have no more favors to ask for he will have done enough; but we would be glad if a resolution could be introduced and passed calling for an investigation of the way things have been mismanaged at the locks. We hardly think the record would look well in the clear sunlight of open investigation.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so seyere that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. #### Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store, Regular siz 50 cents and \$1 00.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfeld of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splended medicine it is:

"It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.
