POPE LEO XIII'S OFFER

Will Mediate Between Spain and Cuba.

IF THIS IS NOT ACCEPTABLE

Spain is Urged to Accept President Cleveland's Reported Offer—Three Insurgents Executed.

LONDON, April 17.—A dispatch from Rome to the Pall Mall Gazette says the papal nuncio at Madrid has been instructed to propose the mediation of the pope to bring about a settlement of the trouble in Cuba or to urge upon Spain the acceptance of President Cleveland's reported offer of mediation.

The Globe says either Cuba must be allowed to follow the example of the South American republics or the motherland must grant a generous measure of autonomy.

Insurgents Executed.
HAVANA, April 17.—Three prisoners of war, Gregorio Birges, Estaban Hernandez and Jose Pacallao, were executed this morning at Babana fortress. They belonged to the insurgent band commanded by Dr. Bruno Zayas, and were captured by the soldiers of Aarapiles' battalion during the attack on Managua.

AS TO RECIPROCITY.
No Action Regarding It to Be Taken by This House.

WASHINGTON, April 17.—No action toward the revival of the reciprocity scheme will be taken by this house, according to the decision made today by the Republican members of the ways and means committee, who held a caucus and agreed to report to the house the testimony in regard to the reciprocity policy taken by the committee, but not recommend any legislation by this congress.

Asked to Violate Their Pledges.

SPRINGFIELD, Ill., April 17.—It developed here last night that there is a well-organized plot to defeat McKinley instructions in the Republican convention on April 19th. The circular sent out by the advisory committee of the A. P. A. denouncing McKinley on the grounds that he made appointments of Roman Catholics was read in A. P. A. lodges in this city tonight and resolutions were adopted denouncing McKinley. A. P. A. delegates to the state convention for McKinley will be asked to violate their instructions.

Through trains on the O. R. & N will run via Umatilla, Walla Walla and Pendleton. Through sleepers, first and second class will run in connection with the Union Pacific, the same as heretofore. A through first-class sleeper from Portland to Spokane, connecting with the first-class sleeper to St. Paul and a through tourist sleeper from Portland to St. Paul, will be run in connection with the Great Northern railway.
E. E. LITTLE, Agent.

You hear it almost everywhere, and read it in the newspapers, that Simmons Liver Regulator is the best liver remedy, and the best Spring medicine, and the best blood medicine. "The only medicine of any consequence that we see is Simmons Liver Regulator."—So wrote Mr. R. A. Cobb, of Morgantown, N. C. And W. F. Park, M. D., of Tracy City, Tenn., writes: "Simmons Liver Regulator is the best."

COUNTY SCHOOLS.

Arbor Day Generally Observed by the Pupils of the County.

Various schools in the county gave a fitting celebration of Arbor Day.

TEN MILE.

Ten-Mile school, Omaha Smith teacher, had a lengthy program. No trees were planted, as all past efforts to make them grow have proved fruitless. This is the fault of the grounds not being improved. The following was the program:

Remarks.
Song, by the school.
Declamation, Lillian Kransen.
Reading, Miss Emma Dras.
Recitation, Lura Pennington.
Declamation, Malcolm Southwell.
Declamation, Nellie Foss.
Reading, Maci Fulton.
Recitation, Lena Deckert.
Recitation, Nellie Pennington.
Declamation, Julia Smith.
Recitation, Hebert Pennington.
Reading, Miss Edith Krause.
Declamation, Nellie Deckert.
Recitation, Miss Clara Benson.
Song.

FRANKTON SCHOOL.

The program of Frankton school, Dist. No. 2, Hood River, was very good. This school has an enrollment of thirty-two pupils, under the age of 14 years. Arbor Day was observed by planting a cork-elm tree. The fact is, trees are not scarce on these grounds. Following is the program:

"America," by the school.
Address on Arbor Day, by the teacher.
Exercise, "Mythical and Historical Trees," by pupils.
Essay, "Why We Plant a Tree," Laura Ellis.
Recitation, "Spring," Daisy Campbell.
Select reading, "My Elm Tree," Helen Perry.
Song, "Ask the Children," by the school.
Recitation, "Flowers," Ella Isenberg.
Maxims, by the school.
Recitation, "Elegy Written in Spring," Flossie Phelps.
Select reading, "April Flowers," Roy Eastman.
Dialogue, "Crowning the Forest King." This was well represented by boys dressed to represent trees, and very small girls as spring flowers.
Song, "Swinging Neath the Tree," small girls.
Recitation, "Arbor Day," Pearl Isenberg.
Female quartette, "Arbor Day," four small girls.
The name of "Bret Harte" was chosen for the tree. After rendering this program the school marched out to the place prepared, and after listening to a short biography of Bret Harte by Howard Isenberg, all assisted in planting the tree. Miss Bess Isenberg is teacher.

CASCADE LOCKS.

Arbor day was appropriately observed by planting a maple tree in honor of W. C. Bryant. T. Tenecher, Jr., is teacher of this school. The following program was carried out:

Marching out on grounds—drum beating.
Song, "Tree Planting," tune America.
Reading of law pertaining to Arbor day, followed by short address by principal, stating that the law is not a burden, but a help. That tree planting encourages the study of trees and plants and furnishes a wholesome change, connected with pleasant incidents, which will long be remembered by the pupils.
Planting tree, and depositing at its roots a bottle containing the name and age of pupils participating.

First assistant reading a short biographical sketch and poem of W. C. Bryant.
Reciting twelve selections by as many pupils, each bearing the author's name on a cardboard fastened to a sharpened stick, pupils placing these around the tree in a circle.
Concert recitation.
Song by pupils of first and second grade.
Marching in.

HOOD RIVER.

In district No. 18 the Arbor day exercises consisted of songs and recitations, with the planting of trees by the school. Lida Johnson is teacher.

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.

How to Cure Rheumatism.
ARAGO, Coos Co., Oregon, Nov. 16, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

The new time card of the Northern Pacific railway, shortens the time between Portland and St. Paul ten hours. This is now the shortest and quickest route to the East. Two through trains daily out of Portland. The only line running a dining car from Portland, and good connections at St. Paul and Chicago makes this the most desirable route.
