

THE "X" RAYS CURE

Consumption, Diphtheria, Typhoid Bacilla Killed.

RESULT OF CHICAGO EXPERIMENT

Positive Declaration From Drs. Pratt and Wightman—Effect on Other Germs—More Tests.

CHICAGO, April 18.—Consumption is dead. Diphtheria was killed outright. Typhoid was annihilated. Cholera has been stunned for 14 days. Pneumonia was barely able to resume its work. Anthrax and glanders escaped with serious injury. Influenza missed slaughter by its position under the tube.

This is the bulletin from the laboratory of Professors Pratt and Wightman, who announced to the world that the Roentgen ray is the cure for these diseases.

The last and final efforts to revive the expired colonies of germs have left four stone-dead. The investigators made this positive declaration. They claim that every possible scientific precaution was taken, that there might be no possible reason for their own deception. They are convinced of the success of the first experiment with the bacilli in test tubes.

They started yesterday morning in the laboratory a new series of trials, which they insist will prove or disprove the possible use of the discovery in actual practice.

SAW THE DEVIL.

Watchers at an Infidel's Bedside Overcome.

MINNEAPOLIS, April 18.—A special to the Tribune from Winnipeg, Manitoba, says: The town of Quapelle, near Winnipeg, is much excited over a remarkable incident, more so because all the parties connected therewith are quite prominent. These are the facts:

An infidel at Quapelle was dying, and two well-known men of that place were watching at the bedside. Suddenly those in the adjoining room heard a piercing cry, and rushing into the sick-room, found the two watchers insensible and the infidel dead. The men have never since been able to speak of what they saw, and cannot refer to the matter. One of them is not expected to live. It is believed there that they saw the evil one.

McKINLEY SATISFIED.

Pleased With the Result of the Oregon Conventions.

WASHINGTON, April 19.—Governor McKinley has written to some of his Oregon friends in Washington that the result of the Oregon conventions was especially gratifying to him, not only because the delegates were elected for him, but because it starts the ball rolling on the Pacific coast, and because the influence which it will have upon the other conventions to be held on the coast will no doubt be in the same direction. Governor McKinley has no warmer supporters in congress than are to be found in the Oregon delegation. In spite of the senatorial sentiment, which is almost wholly for Allison, the Oregon senators are for the Ohio man with undoubted loyalty. And in the house, where the sentiment is no doubt very strong for Reed, the Oregon representatives are most favorably inclined toward Major McKinley.

The information which reaches Washington is that the rest of the coast will no doubt follow the lead of Oregon and send McKinley delegations.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began to use Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. You hear it almost everywhere, and read it in the newspapers, that Simmons Liver Regulator is the best liver remedy, and the best Spring medicine, and the best blood medicine. "The only medicine of any consequence that is used is Simmons Liver Regulator."—So wrote Mr. E. A. Cobb, of Morgantown, N. C. And W. F. Park, M. D., of Tracy City, Tenn, writes: "Simmons Liver Regulator is the best."

If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated. You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
