THE TORNADO'S WORK

Terrible Destruction Caused by Wind in Ohio.

TWO KILLED AND MANY INJURED

Trees and Buildings in Its Path Swept Away—Several Villages Almost Annihilated.

FREMONT, Ohio, April 2.—A tornado accompanied by a heavy rainfall swept over the northwestern part of Sandusky county about 3 o'clock yesterday afternoon, killing two persons, injuring a number of others and doing great damage to buildings and other property.

The tornado came from the southwest with great fury and every tree and building in its path was swept away.

After smashing the road bridge and blowing a big tree across a Wheeling & Lake Erie freight train, which crushed the caboose and came near killing a number of trainmen, the wind began to play havoc with farm buildings. The house of James Greene was destroyed. Greene's aged father, Wm. L. Greene, was killed outright, his wife was fatally hurt, and the baby carried across the road in its cradle. The child escaped uninjured. Next the barn of Amos Harrick, in which Harrick and John Low were shearing sheep was crushed. Low was blown across the field against a tree, being instantly killed.

At Booktown, a hamlet near here, nearly all the buildings were destroyed, but there was no loss of life. The storm covered a wide tract and it is possible that further damage was done.

Both Candidates Have Taken the Oath of Office.

TACOMA, April 21.—A. V. Fawcett qualified as mayor without opposition this morning, notwithstanding that E. S. Orr took the oath of the same office last night. Orr will depend on the courts seating him.

Mayor Fawcett's term of office began in anything but an auspicious manner. The superior court enjoined him from appointing a commission of public works, the council refused to confirm his other appointments, and his seat is being contested for by the late Mayor Orr.

Bible in Omaha Schools.

OMAHA, Neb., April 21.—The committee on text books of the board of education has determined to introduce a book of Bible selections into the public schools. A majority of the school board is in favor of the movement. The committee will submit its report at the next regular meeting, and its adoption is regarded as a certainty.

Supposed to Have Had Cholera.

CHICAGO, April 21.—Mrs. Maggie Dohler died unexpectedly after a few hours' illness today. It is believed by Dr. J. W. Fitzmaurice that she had cholera. He refused to issue a death certificate, and notified the coroner in order that an official investigation may be made.

A Logger Killed.

NEW WHEATON, Wash., April 21.—A serious accident occurred at J. D. Hays' logging camp at Belfast, twenty miles south of here, on the Great Northern railroad, yesterday, in which a man whose name was Whitney was killed. There are no particulars. The camp is shut down.

A DETECTIVE MYSTERY.

Was the Noted Sleuth Himself a Successful Bank Cracksman.

"The most mysterious affair I ever knew in detective circles," said a well-known sleuth to a Washington Star writer, "was a case in the west. A detective had become famous by reason of his success in ferreting out heavy robberies. It seemed that none of the professionals could escape when he once started upon their trails. After a time all such cases were placed in his hands. The first one that he could not discover the thief was a big bank robbery, then after a year or two another, then another; his reputation was suffering, but it was still good, as during the same period he was successful in other difficult cases. He was taken sick with fever, and while delirious told how he himself had perpetrated the robberies, describing every movement in detail. When he recovered, it was claimed that his failure to unravel the mysteries had caused the raving confessions, but other men were put upon them, and they failed to find any clew whatever. The detective retired and lives in elegant style, but whether or not he was as successful in eluding law as in enforcing it will probably never really be known."

QUEEN VICTORIA DRESSED UP.

She Is Then Quite Royal in Appearance, But Otherwise Only Ordinary.

Queen Victoria, in her best bib and tucker, is still a very good-looking woman. In the hideous bonnets and old-fashioned shawls the queen so constantly wears when not "on exhibition" she gives one the impression of being merely a nice, cozy motherly old lady whose whole life's interest is centered in her family. One would never suspect her of being able to rise to the occasion and look the part of queen. With the assumption of court finery, however, says the Philadelphia Times, Victoria dons her homely manners and becomes at once the personification of a gracious sovereign.

To those who have seen her in both characters the metamorphosis has seemed little short of a miracle. On account of the queen's lack of height she is rarely photographed standing; for though she scarcely measures five feet, her waist line is abnormally long, so when she is seated she gives one the impression of being a tall woman—an advantage the vanity of any woman, even a queen, would never ignore.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Snipes-Kinersley Drug Co.

If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
