NOMINATIONS ARE IN ORDER

The writhings of the Oregonian because of the dose administered to its cherished idol, Joseph Simon, at the late Republican convention furnish amusement to those people who have little concern which way Multnomah county politics go. For a day or two following the convention there was a period of hesitancy, of uncertainty what course to pursue, on the part of the great daily.

Considering the fact that the forces of the Oregonian had been defeated and the "combine" had won signal victories all along the line, there was a marked absence of comment upon the situation. Gradually, however, little by little, editorial paragraphs began to appear intimating that a candidate for congress in the Second district who would represent the gold side of the money question would be a desirable thing. Then came the announcement that no Republican should vote for Mr. Ellis, which carries with it the innuendo that he should vote for Judge Bennett, Mr. McKercher or, possibly, Mr. Quinn, the Populist candidate; since for whom else could he vote?

But there are those who think the Oregonian does not intend supporting either Judge Bennett, Mr. McKercher or Mr. Quinn; but really desires the nomination of a gold standard Republican. Possibly so, and if true the trouble has been that no candidate has been found to fill the bill. Mr. Mallory would not do, because if he were nominated Mr. Hume would take the stump against him, and Mr. Mallory would lose his temper. Joe Simon wouldn't do, because he couldn't get any votes. John C. Leasure wouldn't do, because Mr. Leasure never runs for office, and so on down the line of the Oregonian favorites.

Sad as the plight may be, we think we see a solution. Modesty is the chief virtue of the Oregonian, and it is modesty, possibly, that has prevented that paper from announcing the candidacy of Harvey W. Scott, a gentleman well known to you all as the able, talented and popular editor of the Oregonian. Why not nominate Mr. Scott? He is not a bolter. Did he not condemn those who broke the caucus rule at Salem? He believes in protection, as his articles, written fifteen years ago will prove. He is in intellect a giant; in influence surpassed by no one in the state; and, above all, he would represent sound money in all its soundness.

A sick doctor should be willing to take the same prescription he advises for others. Why should not

a statesman be willing to undergo what he wants another to do?

Most modestly, timorously and appreciatively do we present the name of H. W. Scott for congressman from the Second district.

During the twelve months ending with February the imports of foreign wool into the United States amounted to 273,923,590 pounds. It is ascertained from competent statistics that the American product for the months mentioned would not exceed the amount of imports, so had it not been for foreign wool there would have been a market for the entire American clip. As it is, the Eastern markets are glutted, and those who sell this spring will find the price affected to a large extent by the supply of wool left over from last season. There is no reason to expect a higher price this year than last, nor until a tariff bill is framed to give adequate protection to wool-growers. This can only be done after the election of a Republican president and congress.

Any town whose business depends upon an agricultural or stock raising country has its brisk and its dull seasons. In the spring and fall trade is lively and stores are rapidly depleted of their stocks. In the summer, during harvest, and in the winter, when roads are bad, business is quiet. The establishment of industries having steady pay rolls would make business good the year round and tide over the periods of inactivity. The Dalles needs manufactures, and is sure to get them when capitalists recover confidence and seek investment for their money. With better roads, an open river (possibly) and a woolen mill and kindred industries, this city would soon double its population.

How to Cure Rheumatism.
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

Sheriff's Sale.
By virtue of an execution issued out of the Circuit Court of the State of Oregon on the 22nd day of February, 1896, in a suit there pending wherein C. W. Cather is plainiff and O. D. Taylor, Sarah K. Taylor, Joseph A. Johnson, John Barber, State of Oregon, as trustees for the use of the common school fund of Wasco county, Oregon, and M. A. Caroline S. Breaux, are defendants, to me directed and commanding me to sell all of the following described real property lying and situate in Wasco county, Oregon, to-wit: Lots seven and eight in block twenty-four in Bigelow's Bluff and as pertinences thereto belonging to or in anywise appertaining to said O. D. Taylor, together with all and singular the tenements, hereditaments and appurtenances thereto belonging to or in anywise appertaining to said O. D. Taylor, the sum of \$115.72 and interest thereon at the rate of eight per cent per annum from the 21st day of June, 1895, and the further sum of \$100 and interest thereon at said rate from said last named date, attorney's fees, and the further sum of \$25 costs and disbursements; I will, on the 6th day of May, 1896, at the hour of 2 o'clock p. m. of said day at the courthouse door in Dalles City, Oregon, sell to the highest bidder for cash in hand, all of said real property, to satisfy said sums and interest and the costs of said sale.
T. J. DRIVER,
Sheriff of Wasco County, Or.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Go to Moore's for your fresh creams. He will not sell you chewing gum for marshmallow taffy. Don't be deceived by the name, for this is the only place in the city you can get the genuine marshmallow taffy. Try his combination taffy this week.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

\$100 Reward \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

It May Do as Much for You.
Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00.
