present time to protect its rights and enforce its demands by warfare, the project has assumed tangible shape.

At the conference now being held in Washington men distinguished in various walks of life are present and lend their labors to the fulfillment of the cause. Various speeches have been made deprecating the brutality and uncivilized method of settling disputes by force, and the believers in a possible universal peace seize the opportunity to present arguments for a cause which, however attractive it may be from an ethical standpoint, is in little dan-No. 54 Second Street, near Union.
