**VIEWING THE CANDIDATSS.**

But little over a month remains till the voters of Wasco county will be called upon to name the officers who will carry on the county government. The action of the late convention is thoroughly known by this time, and the general consensus of opinion is that the work of the delegates was well and wisely done. During the next month the campaign will wax warm, and the heat of partisanship may make people blind to the good or bad qualities of the various candidates. It is well, therefore, before the campaign progress farther to take a look at the ticket which is presented by the Republican party to the voters of Wasco county for their approval: The nominee for county judge, Hon. Robert Mays, is so well known to the people that any words of commendation are superfluous. He has lived in Wasco county for thirty years or more, and can be called, in all fairness, the "first citizen of the county." By hard, unceasing toil Mr. Mays has reached that condition which makes him a heavy taxpayer, and in caring for his own interests he will of necessity look out for the welfare of the county. A business man who has been successful in his own affairs and what is needed in such an office, and Mr. Mays is just that sort of a man. Wasco county will

honor herself in his election. The sheriff's office has been a model under the present administration, and Sheriff Driver goes before the people with a good record. Mr. Driver has proven his competency by his conduct during the two years nearly ended, and his re-election will come as a matter of course. Mr. Driver has made a faithful officer, and by his accommodation has made himself many friends, who will be glad to vote for him on election day. The county convention had no other course than to re-nominate A. M. Kelsay as county clerk. Any one who has had occasion to have business in the clerk's office comes away with the feeling that the right man is in the right place when Mr. Kelsay is clerk. He has made a splendid official. Of his competency, courtesy and fitness there is no question. His re-election is as certain as the stars. The nominee for school superintendent, C. L. Gilbert, has every qualification for the office. He has had wide experience as a teacher, is energetic, and will bring to his duties a mind well trained for the work. No better man could be chosen to have charge of our schools than Mr. Gilbert. His majority should be a large one. C. L. Phillips, the nominee for county treasurer, is a man against whom not a breath of anything unworthy can be raised. He has lived in Wasco county till his reputation for absolute integrity is established too firm to be shaken. He is a business man, and will conduct the office according to business methods. He will poll the full Republican vote, and that will give him several hundred majority. W. H. Whipple of Dufur, the candidate for assessor, is not so well known as the other gentlemen, but he came into the convention with an enthusiastic following. He has many champions for his election, and his neighbors who have known him long and well, say he has every qualification for the office. The convention had an eye to good government when it nominated D. S. Kimsey for county commissioner, to assist Judge Mays in administering the county affairs. Mr. Kimsey is well known as a successful farmer, who will well represent all portions of the county upon the board. He is a safe man to trust with this important office. Mr. J. B. Goit, the candidate for surveyor, is well qualified for this office. He is an experienced surveyor, and as the office is one where skill is needed, he should poll every vote within the party. Coroner Butts' re-election is already assured, and he will carry on the office in the same economical manner, giving the utmost satisfaction to "all concerned." The precinct offices will be filled with worthy men when G. J. Farley is elected justice of the peace and Julius Wiley constable. Both gentlemen will discharge the duties of their respective offices competently and with entire fairness. Concerning the legislative nominees we will have more to say at another time. They are all men of the highest character and ability. No better ticket was ever placed before the people of Wasco county than the present one, and every voter who desires to have county affairs honestly and economically administered should aid in the election of the gen-

tleman named at the last convention. Every man should be elected, and in the interests of good government THE CHRONICLE will labor to that end.

Walla Walla juries are curious institutions. In a criminal trial held recently in that city the jury disagreed, the noteworthy fact being that on the first ballot the jury stood 8 to 4 for acquittal and on the last vote 11 to 1 for conviction. Such a wholesale change of opinion doesn't speak well for the judgment and intelligence of the jurymen.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Through trains on the O. R. & N will run via Umatilla, Walla Walla and Pendleton. Through sleepers, first and second class will run in connection with the Union Pacific, the same as heretofore. A through first-class sleeper from Portland to Spokane, connecting with the first-class sleeper to St. Paul and a through tourist sleeper from Portland to St. Paul, will be run in connection with the Great Northern railway. E. E. LITTLE, Agent.

**Two Lives Saved.** Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

**\$100 Reward \$100.** The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.
