

**UNTOLD MISERY**  
FROM  
**RHEUMATISM**  
C. H. King, Water Valley, Miss., cured by  
**Ayer's Sarsaparilla**

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

were matted up in knots. I was unable to do anything except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injections of morphine. In three months, my limbs began to strengthen, and in the course of a year, I was cured. My weight has increased to 165 pounds, and I am now able to do my full day's work as a railroad blacksmith."

**Announcement.**

I wish to announce to the dealers and the smoking public that I am now manufacturing strictly first-class cigars in The Dalles and am here to stay. I use nothing but the finest imported stock and can compete successfully with Eastern and imported goods, because the import duty and freight is much less on raw material than it is on manufactured goods. My eighteen years experience makes me duly qualified to select the finest stock, on which my success depends. My "Regulator" brand is made by hand of Havana tobacco grown in the famous Vuelta Abajo district of Cuba; there is nothing finer in the world. Call for the "Regulator." It is a good thing, push it along.

Very respectfully,

apr24-d1w O. A. PETERSON.

**SAVED FROM AN ANGRY COW.**

Lively Chase of a Montana Man from a Sharp-Horned Bovine.

While a freight train was lying over at a small mountain station in Montana the engineer borrowed a shotgun and started for a hunt. He was about returning to his train when a cow made her appearance. Before he realized that there was any danger the animal made a rush at him, and he ran with all his might. But the cow was a better racer, and in a few minutes caught him by the clothing, splitting his coat from waist to collar and tossing him into the air. Getting to his feet as quickly as possible he dodged behind a tree, and then, to his dismay, found that the gun barrel was bent so as to be useless.

The next ten minutes, says the Bozeman Avant Courier, were lively ones. The cow chased the engineer round and round the tree, and when he got a chance to hit her with the gun barrel it only seemed to enrage her the more. It was only a question of time when he would succumb to fatigue, when a diversion occurred which saved his life. An angry snort was heard and a big elk appeared upon the scene, head down and prepared for a fight. The cow was so mad by this time that she was ready for anything, and in another moment the two animals dashed at each other. The engineer watched the combat for a few minutes, until prudence suggested that he should make a retreat while he could. He regained the train in safety and never knew the outcome of the battle, but the presumption is that the elk was the victor.

**WOMEN'S FACES**

—like flowers, fade and wither with time; the bloom of the rose is only known to the healthy woman's cheeks. The nervous strain caused by the ailments and pains peculiar to the sex, and the labor and worry of rearing a family, can often be traced by the lines in the woman's face. Full eyes, the snowy or wrinkled face and those "feelings of weakness" have their rise in the derangements and irregularities peculiar to women. The functional derangements, painful disorders, and chronic weaknesses of women, can be cured with Dr. Pierce's Favorite Prescription. For the young girl just entering womanhood, for the mother and those about to become mothers, and later in the change of life, the "Prescription" is just what they need; it aids nature in preparing the system for the change. It's a medicine prescribed for thirty years, in the diseases of women, by Dr. R. V. Pierce, chief consulting physician to the "Invalids" Hotel and Surgical Institute, at Buffalo, N. Y. Dr. Pierce's Favorite Prescription will cure the chronic inflammation of the lining membranes which cause such exhausting drains upon the system. It cures nervous prostration, sleeplessness, faintness, nervous debility and all disorders arising from derangement of the female organs and functions.

Mrs. JENNIE WILLIAMS, of Mohawk, Lane Co., Oregon, writes: "I was sick for over three years with blind discharges, palpitation of the heart, pain in the back and head, and at times nervous chills. The physicians differed as to what my disease was, but none of them did me any good. I began to take Dr. Pierce's Favorite Prescription, and I began to get better; could sleep well nights, and that bad nervous feeling and pain in my back soon left me. I can walk several miles without getting tired. I took in all three bottles of 'Prescription' and two of 'Discovery.'"

Mrs. WILLIAMS.
