**A PERILOUS SITUATION.**

Outside of Portland the proposal to run an independent candidate for congress in the Second district meets with little favor. The common people—those who are unfettered by factional prejudice—know too well the dangers that lie in such a procedure, and earnestly hope that wise counsel will prevent the entrance of Judge Northrup, or any independent Republican candidate into the field. The Democrats are preparing for an aggressive campaign. Encouraged by the dissensions in the Republican ranks, they see in the situation a bare possibility of success, and with the tenacity and refusal to be vanquished which has always characterized it, the party that has every reason to be dead and buried, is announcing that it is very much alive.

The situation is complicated this year, because of the bitter factional fight that exists in Multnomah county, a condition that instead of being improved, is becoming daily more aggravated. Whether an independent Republican candidate is named or not, the normal Republican majority in Multnomah county will be greatly reduced because of the kaiffing that will be extensively carried on by those who opposed Mr.

Ellis' nomination. The Oregonian, which has become the recognized organ of the Simon crowd, has given the tip. All the members of the Simon gang are to scratch Mr. Ellis, and thus assist in the success of the Democratic or Populist nominee.

If an independent candidate is named he will receive the votes of many people who, under the mistaken idea that they are doing a creditable act, are really working hand in glove with the Democrats. If no independent candidate is named, Ellis will lose many votes because of a desire of revenge and an inability to see any issue before the people than that of gold and silver—an issue very important indeed, but not the overshadowing question.

Multnomah county was rebuked again and again during the session of the Republican conventions. It must be rebuked again by the people at the polls. The Republican voters outside of Portland must rally around the regular nominee in such a way that he will receive support enough to overcome the slump in Multnomah county. With the Republicans divided and the Democrats voting solidly, as they will, for Judge Bennett, the chances for a Republican victory are hazardous unless the loyal Republicans in the district outside of Multnomah county will give Ellis a hearty support.

This is not the time to slumber in our tents. It will be a sad commentary upon the intelligence of our people if the great wool growing country of Eastern Oregon will send to the halls of congress a Democrat—a member of the party that has dealt the wool-growing industry such a deadly blow. Yet this will be the result if the pernicious teachings of the Oregonian are heeded.

**AN ALARMING STATEMENT CONCERNING WOMEN.**

**HOW BAD HABITS ARE FORMED.**

The New York Tribune says: "The habit of taking 'headache powders' is increasing to an alarming extent among a great number of women throughout the country. These powders as their name indicates, are claimed by the manufacturers to be a positive and speedy cure for any form of headache. In many cases their chief ingredient is morphine, opium, cocaine or some other equally injurious drug having a tendency to deaden pain. The habit of taking them is easily formed, but almost impossible to shake off. Women usually begin taking them to relieve a raging headache and soon resort to the powder to alleviate any little pain or ache they may be subjected to, and finally like the morphine or opium fiend, get into the habit of taking them regularly, imagining that they are in pain if they happen to miss their regular dose."

In nine cases out of ten, the trouble is in the stomach and liver. Take a simple laxative and liver tonic and remove the offending matter which deranges the stomach and causes the headache. Dr. Pierce's Pleasant Pellets are composed entirely of the purest, concentrated, vegetable extracts. One Pellet is a dose; sugar-coated, easily swallowed; once used, always in favor. They positively cure sick headache and remove the disposition to it.

Mr. R. VARGASON, of Otter Lake, Lapeer Co., Mich., writes: "I not infrequently have an attack of the headache. It usually comes on in the forenoon. At my dinner I eat my regular meal, and take one or two of Doctor Pierce's Pleasant Pellets immediately after, and in the course of an hour my headache is cured and no bad effects. I feel better every way for having taken them—not worse, as is usual after taking other kinds of pills. 'Pleasant Pellets' are worth more than their weight in gold, if for nothing else than to cure headache."

**Reduced Rates.** Effective March 22d. The O. R. & N. Co. will reduce their round trip rates between Portland and The Dalles as follows: Two day rate, good going Saturday and returning Monday night, \$3. Ten day tickets \$3.50. Good on all trains. E. E. LITTLE, Agent

This is a good time of the year to take Simmons Liver Regulator. It is the very best medicine to take in the spring for the blood, and to cleanse the system of all impurity. "I have used Simmons Liver Regulator as a corrector and blood purifier and think it an excellent remedy. I always keep it on hand to take in preference to any other medicine."—I. M. Hysell, Middleport, Ohio.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

**None But Ayer's at the World's Fair.** Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

**Bucklen's Arnica Salve.** The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Blakeley and Houghton, druggists.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

**\$100 Reward \$100.** The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

**Marvelous Results.** From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.
