**DON'T GET SCARED.**

The Oregon Populists, says the Salem Statesman, true to their best interests, are just now making most of the noise and claiming everything in sight.

Don't get scared.

They are not getting ahead. They are expending all their wind on noise, with none left for any other purpose.

They are like Abraham Lincoln's steamboat, that had such a large whistle. It was so large that when it tooted this process took all the steam, and the machinery stopped. Instead of going ahead while it was making a very loud noise, drowning out all other sounds for miles around, it actually lost ground and drifted with the stream.

The men down in Portland in charge of the Populist campaign are giving out "news" by the yard about the prospects of Populist victories in Oregon. They are trying to convince Oregon voters that everything is going their way. They are also trying to convince the deluded members of their party, so they will shell out the largest possible assessment from their almost empty pockets, with which to hire Populist speakers from abroad.

They propose to draw into requisition Texas, Iowa and several other

distant states. They do not seem to have much idea of patronizing home industry. Nearly every Populist in Oregon is full of figures and wind. The home product ought to be given a chance. It would be cheaper, too, and the money would be kept at home.

The only interest these outside speakers take in Oregon Populism is the money raised by assessment from the Oregon Populists. They sail across the continent in Pullman cars, with six-bit meals and two-bit cigars, for the cost of which their Oregon dupes go down into their pockets and dig up their hard-earned money.

What do they get for their money? They get promises of great victories before the election. The fact is, the outlook for Populist success anywhere in the state is not at all bright. Even in those counties where that party has won a few victories in the past few years, it has run out, and the people want no more of it. There is nothing in this brag. Don't be deceived.

If the Republicans throughout Oregon will do their duty, as we believe they will, overwhelming victories for the party of progress will be the result.

The sentencing of John Hays Hammond, the American engineer, to death for conspiracy against the Transvaal government need not cause any great excitement in America. It is expected that President Kruger will interpose and change the sentence from death to a light imprisonment and a heavy fine. Upon no other consideration would the accused have plead guilty.

Senator Wolcott has written a letter saying he will stay with the Republican party no matter what action it takes regarding the coinage question. This is an abandonment of the ultra free silver position and indicates on the part of the senator a disposition to hedge.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfeld of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Snipes-Kinersley, Drug Co.

E. E. LITTLE, Agent.

**How to Cure Rheumatism.**  
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

**\$100 Reward \$100.**  
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

**None But Ayer's at the World's Fair.**  
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

**Marvelous Results.**

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists. 1
