AN EGREGIOUS MISTAKE.

The independent candidate for congress in the Second district is a reality. The acceptance of County Judge Northup of Portland has been filed and his campaign actively begun. For reasons already expressed, we are sorry that things have taken the turn they have. It is generally considered Judge Northup has no chance of election. Outside of Multnomah county he will have no active support, and the majority it is possibly he may obtain in Portland will not land him in Washington. At the same time, his candidacy threatens the election of Ellis. An active campaign is in prospect. The Populists, encouraged by national leaders, will exhaust every resource to elect their candidate. The Democrats, seeing the breach in the Republican ranks, will vote solidly for Judge Bennett, while the Republicans, like a house divided against itself, are in danger of falling. Two years ago the vote in the Second district was as follows: Ellis (Rep.) 18,875; Raley (Dem.) 9,013; Waldrop (Pop.) 10,749; Miller (Pro.) 775. Ellis plurality, 8,126. Though Northup has no chances of election, as the Oregonian thinks he has, yet he will at least greatly reduce

the Ellis vote of two years ago and may bring it to the level of the Democrats and Populists. It is more than likely that the Democratic vote will be larger this election than last, as then the contest was so hopeless that many Democrats did not take the trouble to vote. The contest would be equally as hopeless now were it not for the entrance of the Oregonian candidate into the field. With an increased Democratic vote and the Republicans divided, it will be admitted that the man who places his money on Bennett is not doing a very foolish act.

This is the situation that confronts the Republicans of the Second district. There are troublesome times ahead, and it is the duty of every Republican to rouse himself and give his hearty support to the Republican nominee. We believe that Ellis will be elected despite the efforts of the Oregonian and Simon; but it will need a hearty support from Eastern Oregon to accomplish it.

THE CHRONICLE did not favor the nomination of Mr. Ellis, but it believes now that it is the duty of every loyal Republican to support him.

"Col." J. G. Day and his son, J. N. (lovely pair!) have gone to San Francisco to remain, it is stated, a week. Wouldn't it be a good idea to send the stone masons that are working on our new buildings down to the locks and have the inner walls built so that the Days would have a pleasant surprise on their return? "Colonel" Day says he is very anxious to see the locks completed, and he undoubtedly would open some of that rare champagne, which he uses to gain his point, in return for our kindness.

The letter of Hon. Robert Mays, in another column, should set at rest an idle rumor, which was circulated with the intent that campaign cardinals generally are.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Snipes-Kinersley, Drug Co.

E. E. LYTLE, Agent.

How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullord. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CUNNINGHAM & Co., Toledo, O. Sold by Druggists, 75 cents.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Go to Moore's for your fresh creams. He will not sell you chewing gum for marshmallow taffy. Don't be deceived by the name, for this is the only place in the city you can get the genuine marshmallow taffy. Try his combination taffy this week.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.
