HOW IT STRIKES DEMOCRATS.

Judge Northup has accepted the nomination of the gold Republicans as their candidate for congress. The contest will be interesting from now until the election. It is really not so much a matter of principle with those who have brought out the judge as it is to make sure the defeat of Ellis. Now, if Democrats will stand solid for Judge Bennett, his election is assured. The contest is between Bennett and Northup.

This clipping from the Portland Chronicle, a Democratic weekly, shows how the Oregonian is playing into the hands of the Democrats. There is no hope of Northup's election, but his candidacy makes the chances of Bennett exceedingly good. The mantle of virtue in which the Oregonian wraps itself is very flimsy. Its bold and consequent actions have not been done with a view of establishing a principle of right, as through motives of revenge, because of hatred against the men who opposed it in the late primaries.

Wasco county did not support Mr. Ellis in the convention, and we are free to say he was not our choice. But he is nominated, and between himself and Northup has the only chance of election. Multnomah county has repudiated Joe Simon. Let the rest of the state do it as well.

While making no defense for Mr.

Ellis' silver views, we believe that he should receive the Republican support of Wasco county. Other wise a Democrat will be chosen, and have we not suffered enough from Democrats?

The people of Sherman and Wasco counties have an opportunity this year of electing to the legislature men who are in every way deserving of the confidence bestowed upon them. They are men of ability, clean in character, and identified with the material interests of the two counties. The campaign this year promises to be free from mud slinging, as the nominees on all the tickets are above such dirty practices. For this reason the voters will have an opportunity to examine the qualifications of the various candidates. Messrs. Moore, Michell, Huntington and Jones make a quartette of which any county may well be proud. By their actions in the legislature the two counties will be well served.

The records made by Sheriff Driver and Clerk Kelsay during their two years in office entitle them to re-election. Their duties have been well performed and the offices managed in an economical manner. If there is any reward for well-doing it should come to these gentlemen in the shape of handsome majorities next June.

Every dollar wisely spent upon our county roads is a good investment. The returns will not be fully felt until the Columbia is open to the sea. This should be our first concern. Everything else is subservient to it.

Reed defeated McKinley for the speakership. It looks as if the tables are to be quickly and completely turned. McKinley has the masses with him, and after all the people are the rulers.

BUDS. Society buds, young women just entering the doors of society or womanhood, require the wisest care. To be beautiful and charming they must have perfect health, with all it implies—a clear skin, rosy cheeks, bright eyes and good spirits. At this period the young woman is especially sensitive, and many nervous troubles, which continue through life, have their origin at this time. If there be pain, headache, backache, and nervous disturbances, or the general health not good, the judicious use of medicine should be employed. Dr. Pierce's Favorite Prescription is the best restorative tonic and nerve at this time. The best bodily condition results from its use. It is especially indicated for those delicate weaknesses and derangements that afflict womenkind at one period or another. You'll find that the woman who has faithfully used the "Prescription" is the picture of health, she looks well and she feels well.

In catarrhal inflammation, in chronic displacements common to women, where there are symptoms of backache, dizziness or fainting, bearing down sensations, disordered stomach, moodiness, fatigue, etc., the trouble is surely dispelled and the sufferer brought back to health and good spirits.

"WOMAN'S ILLS."

Mrs. W. R. DATES, of Dillsboro, Trumbull Co., Ohio, writes:

"A few years ago I took Doctor Pierce's Favorite Prescription, which has been a great benefit to me. I am in excellent health now. I hope that every woman, who is troubled with 'women's ills,' will try the 'Prescription' and be benefited as I have been."

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gustaf of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Snipes-Kinersley, Drug Co.

How to Cure Rheumatism. ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

\$100 Reward \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits." Go to Moore's for your fresh creams. He will not sell you chewing gum for marshmallow taffy. Don't be deceived by the name, for this is the only place in the city you can get the genuine marshmallow taffy. Try his combination taffy this week.

Marvelous Results. From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.
