**IS THERE GOING TO BE A FUSION?**

It is given out as true, though the information is not complete, that a combination is being formed against the joint Republican legislative candidates in Wasco, Sherman and Gilliam counties. The declination of Mr. Seufert has not yet been filled, nor will it be, the Democratic leaders declare; but on the contrary the Democrats are supposed to support the Populist nominee for representative, Mr. Henry, in return for which the Populists will vote for the Democratic nominees for joint senators. Such a coalition may be wise from a party point of view, but it will not meet with favor among the voters. Fusion is a bargain and trade which has no place in reputable politics, save under extraordinary circumstances, when some great good can be accomplished by such a course. These circumstances do not exist at present. The Republican convention gave to the voters of Wasco, Sherman and Gilliam counties candidates for the legislature which it should be a pleasure for every Republican to support. They are men who have labored long and successfully in their respective communities, and deserve whatever honor may be attached to a seat in the legislature.

The candidates on the Democratic

ticket, also, are men of ability and character. Personally nothing can be said against them, but when by any political bargain they seek Populist support, and in return expect their friends to vote for a Populist candidate, their defeat becomes a matter of necessity. There were too many Populists in the last legislature; some of them, we are sorry to say, were there under the guise of Republicans.

Let us have no more of this action for policy only. The Republicans should see the danger that may attend the election of their legislative ticket, and make every effort to ward off any such calamity.

The First congressional district, not to be behind the Second in the way of political sensation, desires another free silver candidate. Overtures have been made to Judge Waldo asking him to run in case Myers, the Democratic nominee, and Vanderberg, the Populist, are withdrawn. The Populist and Democratic vote will unite on Judge Waldo, and if elected he will take his seat under the political designation of a Demo-Pop-Republican. Political ties are all torn asunder, and there is no telling what the wreckage will be. The aim of the Democratic managers seems to be to create dissensions in the ranks of their opponents, and there is no question but that they are succeeding in a remarkable degree. For the situation that exists Multnomah county is to blame, and chief of all the partisan, hysterical, monopolistic sheet called the Oregonian.

Judge Bennett, the Democratic candidate for congress, is out on a campaigning tour. His points of speaking cover a wide expanse of territory, but the Antelope Herald points out that Mr. Bennett, with his usual good judgment, neglected to put Antelope, the center of a large stock country, on the list. The Mitchell Monitor complains that Judge Bennett has entirely ignored Crook county. The Democratic candidate is avoiding some embarrassing situations by refusing to visit the localities where men, who three years ago were wealthy, are now ruined because of Democratic legislation regarding wool.

**Hello! Hello!**

This is the County Treasurer. He wants all county warrants registered prior to April 1, 1892, presented at his office, corner Third and Washington, or he is ready to pay the same. Interest ceases after January 15th.

W. MICHELL,  
County Treas.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfeld of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is:

"It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Snipes-Kinersley, Drug Co.

**Reduced Rates.**

Effective March 22d. The O. R. & N. Co. will reduce their round trip rates between Portland and The Dalles as follows: Two day rate, good going Saturday and returning Monday night, \$3. Ten day tickets \$3.50. Good on all trains. E. E. LITTLE, Agent

Through trains on the O. R. & N will run via Umatilla, Walla Walla and Pendleton. Through sleepers, first and second class will run in connection with the Union Pacific, the same as heretofore. A through first-class sleeper from Portland to Spokane, connecting with the first-class sleeper to St. Paul and a through tourist sleeper from Portland to St. Paul, will be run in connection with the Great Northern railway. E. E. LITTLE, Agent.

**How to Cure Rheumatism.**  
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullord. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

**\$100 Reward \$100.**  
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Take Simmons Liver Regulator now. Its just the remedy for the Spring of the year to wake up the liver and cleanse the whole system of the accumulated waste of the winter. "My wife combated more Malaria in Alabama in 1861 with Simmons Liver Regulator than all the doctors in the neighborhood. We've had a siege of Malaria in our own family, and it helped us."—W. N. Bryant, Dalles, Tex.

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of DeWitt's Little Early Risers, the famous little pills. For sale by Snipes-Kinersley Drug Co.

**The Discovery Saved His Life.**  
Mr. G. Caillouttee, Druggist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or home without it." Get a free trial at Blakeley & Houghton's Drug Store. 2
