ALONG THE SAME LINE.

For some reason or other the Oregonian, a paper published in Portland under the authority and by the sanction of a political clique, takes every opportunity it can find to misrepresent the people of Eastern Oregon. Through false statements and concealment of facts the Oregonian perverts the truth regarding the Cascade locks, and in every manner possible does what it can to hinder the opening of the river. And it is succeeding far too well.

The latest point in question is this clipping from a brief interview with Governor Lord in yesterday's issue: Governor Lord also took time to pay a visit to the Cascade locks, and as far as completed, he was well satisfied with them. Their completion would, he said, be a great boon to the state, as, aside from the advantages as a waterway, the state would be saved the expense of maintaining the portage road, which at present is a heavy burden on the taxpayers.

We doubt very much if Governor Lord said these words attributed to him. He has too strict a regard for the truth to make a statement false to core as this one is. The portage road at the Cascade Locks is not a heavy burden on the taxpayers. It is a self-supporting institution, which is run in an economical manner and derives a revenue exceeding its expenses. The commissioners of the

road have fixed rates of charges which the D. P. & A. N. Co., as practically the only shipper across the portage, pays. These rates are so adjusted that a sufficient revenue is derived for paying the expenses of the road. During the year just past the D. P. & A. N. Co. paid to the portage road approximately \$5000 in payment of freight charges. This sum easily exceeds the necessary expenses. If the contrary should prove to be the case it is because there is a rake-off going to some one which is far in excess of the ordinary divvy. A glance at the books of the boat company will substantiate the statements we have made.

Governor Lord should be careful when he talks to Oregonian reporters. They are uncertain individuals and work according to instructions, which are to the effect that the interests of the corporations must be served first, then the politicians; but never a consideration for the people. Such a statement as the one referred to is apt to do much damage unless corrected.

The state of Oregon did, it is true, assist the people of this section in securing better freight rates, and for such relief we are grateful; but to say that the maintaining of the portage road is a heavy burden on the taxpayers is stating what is not true, and doing it with malicious intent.

We dislike the Oregonian. Not because of its expressions and course regarding the political situation, for it has every right to do and say what it pleases. But its actions, or rather its inaction concerning the Cascade locks we do condemn. The Oregonian is blind to the best interests of the city in which it is published. Portland is losing trade on all sides, and an open river, whereby it may increase its business, is the only salvation. And yet the Oregonian stands in with the gang which is working against the completion of the locks. If it does not, why these falsifications, and, worse than that, why this silence on the main issue?

THE FUSION IDEA.

The Dalles Chronicle thinks there is a scheme on foot to beat a few Republicans. If the Republican party plays to win, why should not the others?—Wasco News.

Correct. There is no reason why any party should not play to win, but it is wise not to make the play too big. The fusion movement may secure a few voters more to the Democratic and Populist legislative candidates, but it will not succeed in defeating the Republican nominees. Walter Moore, John Michell, B. S. Huntington and F. N. Jones are the men whom the people of Wasco and Sherman counties need to represent them in the next legislature.

How to Cure Rheumatism.
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullord. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

The Discovery Saved His Life.
Mr. G. Caillouttee, Druggist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life." Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store. 2

Cure for Headache.
As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most-dreaded habitual sick headache yields to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving a needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Fifty cents and \$1.00 at Blakeley and Houghton's Drug Store. 2

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Sotipes-Kinnersley, Drug Co.

Bucklen's Arnica Salve.
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Blakeley and Houghton, druggists.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is:

"It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Take Simmons Liver Regulator now. Its just the remedy for the Spring of the year to wake up the liver and cleanse the whole system of the accumulated waste of the winter. "My wife combated more Malaria in Alabama in 1861 with Simmons Liver Regulator than all the doctors in the neighborhood. We've had a siege of Malaria in our own family, and it helped us."—W. N. Bryant, Dalles, Tex.

\$100 Reward \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
