FIGURES WORTH REMEMBERING

The Populist speakers who are canvassing the state are represented to be men of ability. If they are not misrepresented, the inevitable conclusion is that they are either too prejudiced or too dishonest to be able to state facts.

Among the other many reasons urged why the Populists should be placed in power, is that the Republican party in 1873 demonetized silver, thereby taking from the people a large portion of the circulating medium; that money is to the body politic what blood is to the physical body, and the diminution of this circulating medium—this means of carrying to the decaying tissues new strength—is the cause of our hard times.

When, by the act of 1873, the gold dollar was made the standard of value, the silver dollar was not a legal tender, except for \$5. By the act of congress, which passed February 12th and became a law February 28, 1878, the silver dollar is declared to be a legal tender for all debts and dues, public and private, except where otherwise expressly stipulated in the contract.

Prior to 1873 the entire coinage of silver, from the foundation of the government, was \$144,000,000. Since and including 1873, the government

has coined \$537,000,000 in silver. The following shows the amounts of gold and silver coined in the years 1870, 1880 and 1890, these being fair averages during the period covering that twenty years:

	GOLD.	SILVER.
1870.....	\$21,312,645.00	\$ 2,504,498.50
1880.....	62,308,270.00	27,411,893.75
1890.....	20,467,182.50	39,202,008.20

The following shows the gold and silver in circulation and in the treasury at different periods commencing with the year 1872:

	GOLD.	SILVER.
1872.....	\$ 25,000,000 (incl silver)	
1880.....	351,841,206	\$ 69,660,408
1890.....	695,583,029	380,083,304
1895.....	636,256,023	547,777,049

There was practically no coin in the treasury in 1872:

	GOLD.	SILVER.
1880.....	\$126,145,427	\$ 40,549,851
1890.....	321,304,106	323,894,555
1895.....	156,618,062	547,777,049

Money in United States per capita at different periods, commencing with 1872:

1872.....	\$18.19
1880.....	19.41
1890.....	22.82
1895.....	22.97

Silver coin, bullion and silver certificates in treasury January, 1896, \$512,000,000, and at the same time the silver and silver certificates in circulation was \$107,000,000.

These figures have been prepared from government statistics and are undoubtedly correct. A careful study of them is a sufficient answer to Populistic theories and doctrines, and we present them for the consideration of those who were misled by the recent address of Mr. Phelps of Colorado.

Our trouble seems to be too much silver in the treasury and a disposition on the part of the people to take the gold out. If the Populists were placed in power, possibly there would be no trouble at all from too much money in the treasury, and they could get rid of the accumulated silver as successfully as the Democrats have gotten away with gold.

No better nomination was ever made at a Wasco county convention than that of Hon. Robert Mays, whom the Republicans have named for county judge. He is in every way the best man who could be chosen for this important office. His business ability is of a high order, and under his administration, the taxpayers would receive their needed relief. If Robert Mays is elected judge, the county debt will be reduced and the burden of taxation made lighter.

A vote for Sheriff Driver and Clerk Kelsay is a vote for honest, competent officials, under whose administration the interests of the taxpayers are guarded. It is only common justice to give them the indorsement of re-election.

How to Cure Rheumatism.
Anago, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have a cold he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug Store.

The Discovery Saved His Life.
Mr. G. Caillouttee, Drugist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store. 2

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfeld of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
