

**THE BEST  
FAMILY MEDICINE**

She Has Ever Known. Words of Praise from a New York Lady for  
**AYER'S PILLS**

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my inevitable answer is Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 368 Rider Avenue, New York City.

**Salvation Army a Despotism.**  
The Reverend Nathan E. Wood, pastor of the First Baptist church, Boston, Mass., has been an active working member of the Auxiliary League of the Salvation Army. He recently surprised his congregation by announcing his withdrawal from the league. In explanation of his action he said: "I have not looked into the family troubles of the Booth family, but into the methods of the Salvation Army, and have become convinced, after careful study, that the Salvation Army, with General Booth at the head of it, is a military despotism, and that he is more despotic than the pope of Rome. General Booth is a despot in a military way, and is at variance with the established principles of Christianity. He said he had no stones to throw at the Salvation Army. The objections are not made against the beneficial purposes of the army to reclaim the fallen and to do good where good is required at their hands, but to the machinery which controls and directs the organization. It is in fact an absolute despotism wholly and entirely subject to the control, will and direction of and by one head called General Booth, of which members of his own family are constituted his chief aids in command and are stationed in all the principal quarters of the globe. As the true inward workings of the head chief become intelligently known the fabric which he has built will finally succumb to a new organization formed on unselfish and un-despotic principles. When it is understood that the rules made by General Booth do not permit its members to unite with any Christian denomination, much of the sympathy which is now given the army will dwindle away under a belief that the head is endeavoring to build up a great denomination antagonistic to those now in existence.

of all cases of consumption can, if taken in the earlier stages of the disease, be cured. This may seem like a bold assertion to those familiar only with the means generally in use for its treatment; as, nasty cod-liver oil and its filthy emulsions, extract of malt, whiskey, different preparations of hypophosphites and such like *palliatives*. Although by many believed to be incurable, there is the evidence of hundreds of living witnesses to the fact that, in all its earlier stages, consumption is a curable disease. Not every case, but a large percentage of cases, and we believe, fully 98 per cent. are cured by Dr. Pierce's Golden Medical Discovery, even after the disease has progressed so far as to induce repeated bleedings from the lungs, severe lingering cough with copious expectoration (including tubercular matter), great loss of flesh and extreme emaciation and weakness.

Do you doubt that hundreds of such cases reported to us as cured by "Golden Medical Discovery" were genuine cases of that dread and fatal disease? You need not take our word for it. They have, in nearly every instance, been so pronounced by the best and most experienced home physicians, who have no interest whatever in misrepresenting them, and who were often strongly prejudiced and advised against a trial of "Golden Medical Discovery," but who have been forced to confess that it surpasses in curative power over this fatal malady, all other medicines with which they are acquainted. Nasty cod-liver oil and its filthy "emulsions" and mixtures, had been tried in nearly all these cases and had either utterly failed to benefit, or had only seemed to benefit a little for a short time. Extract of malt, whiskey, and various preparations of the hypophosphites had also been faithfully tried in vain. The photographs of a large number of those cured of consumption, bronchitis, lingering coughs, asthma, chronic nasal catarrh and kindred maladies, have been skillfully reproduced in a book of 160 pages which will be mailed to you, on receipt of address and six cents in stamps. You can then write those cured and learn their experience.
