

BAND EXCURSION!

The first excursion of the season will be given by

THE DALLES CONCERT BAND.

On the STEAMER "REGULATOR" to CASCADE LOCKS, on

SUNDAY, MAY 24.

Steamer leaves The Dalles at 7:30 a. m., returning at 7 p. m. On reaching the Locks the band will give a grand open air concert, and also furnish dance music for those who wish to dance.

As the Excursion is for the purpose of obtaining uniforms, and a considerable amount will be needed, the price of tickets has been placed at one dollar, with a feeling that the many friends of the organization will see that the boat is filled to the limit. Tickets may be had at the principal business houses and of the members of the band. It will be well to buy your tickets early, if you care to enjoy this delightful excursion. Remember the date and time of leaving.

A COMPARISON.

Hon. Chas. H. Grosvenor of Ohio, in a recent speech in congress, gave utterance to an acknowledged fact in the most forcible way. As though addressing the Democratic party, he said:

"And you have gone on, with the

treasury bankrupt. You have borrowed \$262,000,000 upon the bonds of the government. You are attempting to put yourselves in contrast with a Republican administration that paid \$250,000,000 of the national debt in four years, that left the treasury solvent and pléthoric. You stand here today confessedly borrowing \$262,000,000 and trembling as each telegraphic report comes from the markets in New York lest that money you have borrowed under the pretense of upholding the redemption fund shall be again drifting, under Democratic administration, across the water into the banks of London, Germany and France. And you stand up here and attempt to criticise the administration of the Republican party."

With an entirely new delegation in congress, there would be no hope that Oregon would stand third among all the states in the amount of appropriations carried by the river and harbor bill. There would be no likelihood that she would stand tenth or even twentieth. According to the census of 1890 she ranked thirty-eighth or thirty-ninth in population, and there is no reason to believe that she would stand higher than thirty-eighth or thirty-ninth in the appropriations which would be made for her benefit and the benefit of her people. The measure of her influence in the lower branch of congress would be on an exact ratio with her population with two new men as her representatives; in the senate her position would not be much better.

James Gordon Bennett is considerably annoyed because the American people demand the nomination of Hon. Wm. McKinley for president and a restoration of the policy of protection. This is not at all surprising. Mr. James Gordon Bennett hates the United States and won't even live in the country. This is no loss, to be sure. But when he cables his un-American views from Paris, to be published in the un-American New York Herald, nobody should be deceived by the idea that they represent American views.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. The Discovery Saved His Life. Mr. G. Caillouette, Druggist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

\$100 Reward \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. How to Cure Rheumatism. ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. BULLORD. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.
