

**THE BEST FAMILY MEDICINE**

She Has Ever Known. Words of Praise from a New York Lady for **AYER'S PILLS**

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-around family medicine I have ever known."

**Change in the Ballot Law.**

Attention has repeatedly been called to the change made by the last legislature in the election law, by which the name of the candidate is to be marked with a cross, the old way of marking out names not voted for being superseded. Two other changes must be noted. One is that the various legislative tickets are grouped by parties, instead of the whole batch of legislative nominees being arranged alphabetically. It is also provided that a candidate's name must appear in but one place on the ticket, though his party endorsement is to be set down opposite him. There appears to be considerable chance for the exercise of discretion by the county clerk in arranging the party sobriquets. He might be expected to arrange a man's party endorsements in the order of their filing, but probably this could not be insisted upon.—Oregonian.

Before you try anything else for the blood, take Simmons Liver Regulator. It is the best blood medicine because it is the best liver remedy. If your liver is active and at work the blood will be the best. Simmons Liver Regulator is the best spring medicine. "I tell my friends if they want to enjoy health and happiness they ought to take Simmons Liver Regulator."—Mrs. R. W. Smith, McIntosh Bluff, Ala.

A great many people are influenced by what others do, and that is one of the reasons why so many take Simmons Liver Regulator. "I was suffering greatly from Chills and Fever and the more quinine I took the worse I felt. I was told of Simmons Liver Regulator, by a friend in Arkansas, and I didn't need to take much of it until I was entirely relieved."—Byron Bradley, Tallahassee, Fla.

**Ideas of Savages and Children.**

The Cheyennes and other Indians of the plains believe that thunder is caused by the flapping of the wings of an immense bird which flies across the sky, bringing the storm. All the ideas of savage tribes are based on such simple conceptions of nature. The ideas of young children are often identical with savage myths, as a result of minds on the same plane of development attempting to explain the same thing.

**The Water Lily.**

Several specimens of water lilies have the very curious peculiarity of blooming all day and at evening closing their blossoms, and, by retracting the stem, drawing the four cordily under water. There is no more singular fact in the history of flowers than this oddity of the water lily.

Mrs. Newlywed—We raise our own vegetables.  
Mrs. Oldun—That is pleasant, but not economical.  
Mrs. Newlywed—I know that; but then we know they are not adulterated.—Judge.

**N Society**  
women often feel the effect of too much gayety—balls, theatres, and teas in rapid succession find them worn out, or "run-down" by the end of the season. They suffer from nervousness, sleeplessness and irregularities. The subtle and good spirits take flight. It is time to accept the help offered in Doctor Pierce's Favorite Prescription. It's a medicine which was discovered and used by a prominent physician for many years in all cases of "female complaint" and the nervous disorders which arise from it. The "Prescription" is a powerful uterine tonic and nerve, especially adapted to woman's delicate wants for it regulates and promotes all the natural functions, builds up, invigorates and cures.  
Many women suffer from nervous prostration, or exhaustion, owing to congestion or to disorder of the special functions. The waste products should be quickly got rid of, the local source of irritation relieved and the system invigorated with the "Prescription." Do not take the so-called celery compounds, and nervines which only put the nerves to sleep, but get a lasting cure with Dr. Pierce's Favorite Prescription.

**"FEMALE WEAKNESS."**

Mrs. WILLIAM HOOVER, of Belleville, Richmond Co., Ohio, writes: "I had been a great sufferer from 'female weakness.' I tried three doctors; they did me no good; I thought I was an invalid forever. But I heard of Dr. Pierce's Favorite Prescription, and then I wrote to him and he told me just how to take it. I took eight bottles. I now feel entirely well. I could stand on my feet only a short time, and now I do all my work for my family of five."
