THE CZAR'S MANIFESTO

Amnesty Will Be Granted Siberian Prisoners.

SENTENCES ARE TO BE REDUCED

Offenders Against Public Worship Laws Will Receive Pardon--The Czar's Arrival at Moscow.

LONDON, May 19.—The Chronicle's Berlin correspondent says that the Berlin Tageblatt claims that the czar's manifesto will give amnesty, partial or complete, to Russian prisoners in Siberia. Those sentenced to a life of penal servitude will receive mitigation of the sentences, and offenders domiciled in Siberia will be permitted to return to any part of European Russia except St. Petersburg and Moscow.

The sentences of those in jail in European Russia for serious offenses will be reduced by one-third. A large number of minor offenders will be pardoned. Numbers of those who left the country for political relief will be pardoned, on condition of their taking the oath of allegiance.

The peasantry in certain poor districts will be excused from arrears of crown dues. Even the Jews will not be forgotten, and the ill-starred Hebrew agricultural colonies at Ekaterinslay will also be excused from arrears.

The Rome correspondent of the Chronicle also hears that the vatican has received information that the czar will pardon all Catholic priests who have been imprisoned or sent to Siberia for breach of the public worship laws, and that he also promises to grant gradually a large measure of religious liberty to all his subjects, including Catholics. Cardinal Agilardi, the vatican representative at the coronation, will hand to the czar an autograph letter from the pope urging an extension of religious liberty.

In the first draft of the coronation manifesto, a paragraph provides for the cancellation of warnings of the censors standing against Russian newspapers, which amount to 3,000,000 of roubles, and the suppression of the papers. Most of the Russian papers have had a couple of warnings hanging over their heads for years past. This paragraph in the manifesto was omitted, at the instigation of certain court ministers. Russian pressmen are naturally displeased, but it remains to be seen if the paragraphs will be restored.

Criminals and debtors will doubtless be favored and political prisoners will not be forgotten. The impecunious nobles, whose estates are heavily encumbered, will probably be relieved by reductions of the interest on their loans. There is also talk of the sons of merchants and manufacturers receiving the same rights regarding their movements as the nobility.

RESULTS OF KANSAS' STORM.

Twenty-Eight Were Killed and Over Fifty Injured.

KANSAS CITY, Mo., May 19.—Twenty-eight killed outright, 50 more injured, some fatally, and property losses aggregating \$1,000,000 is now given as an estimate of the damage done by Sunday's cyclone in Marshall, Nehama and Brown counties, Kan. Further reports may increase these figures, as telegraphic communication with the stricken parts is still imperfect and consternation prevails. The dead are distributed as follows: Seneca and neighborhood, 8; Oneida, 6; Reserve, 5; Sabetha, 5; Morrill, 4. Seneca suffered a property damage of about \$350,000, Frankfort, \$100,000; Reserve, \$60,000; Sabetha, \$50,000; Morrill, 20,000. Thousands of dollars worth of property was damaged in the country between these towns. Although the pecuniary loss at Frankfort was great, no lives were lost there. Destruction and destitution meet the eye at every turn. Men were rendered absolutely penniless, many victims escaped with only the clothes they wore. An appeal for outside aid has been issued.

LORD SHOLTO'S WIFE. Disobeys Her Husband's Command to Quit the Stage.

CHICAGO, May 10.—A morning paper says:

Lord Sholto Douglas, from his home in Arizona, has called upon his wife, formerly Loretta Mooney, to quit the vaudeville stage and return to him, but the light-footed songstress has declined. In an interview last night she said:

"Oh, yes, Lord Sholto wants me to leave the stage and go back to Arizona, but I don't see it that way just now. I'm going to New York next week to fill an engagement with Tony Pastor, and when I have seen what there is to see in New York we'll talk about Arizona. I've never been East before, and they say New York is quite a town. After that, of course, I expect to go to Arizona and leave the stage. Here's a letter from Lord Sholto I just received today. He wants to know why I don't answer his letters and telegrams—he has sent me two this week. Poor fellow, I suppose he is worrying. Have we quarrelled? Well, perhaps I hadn't better say anything about that. Some of these days I'll go back and be a good little wife, but not until I've seen New York."

Donor's Identity Revealed.

New York, May 15.—Barnard college, the woman's annex of Columbia university, having secured subscriptions aggregating \$100,000, required to secure the gift of \$100,000 tendered last year by a person who preferred to remain unknown until it became certain that the conditions of the donation were to be realized, the identity of the donor has just been made known.

It is the widow of the late Van Wyck Brinckerhoff of Hastings, Westchester county, and she makes the gift which goes toward the erection of a building on the new site of the university at Morningside Heights, as a memorial to her late husband and her father, William H. Hoople, who died in June, 1895.

Hon. A. S. Bennett, Democratic nominee for congress in the Second district, will address the voters of the district at the following places on the following dates:

The Dalles, Saturday, May 30th, at 8 p. m.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is:

"It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Through trains on the O. R. & N will run via Umatilla, Walla Walla and Pendleton. Through sleepers, first and second class will run in connection with the Union Pacific, the same as heretofore. A through first-class sleeper from Portland to Spokane, connecting with the first-class sleeper to St. Paul and a through tourist sleeper from Portland to St. Paul, will be run in connection with the Great Northern railway.

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated. You get THE BEST BLOOD when your system is in Al condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
