

BAND EXCURSION!

The first excursion of the season will be given by

THE DALLAS CONCERT BAND.

On the STEAMER "REGULATOR" to CASCADE LOCKS, on

SUNDAY, MAY 24.

Steamer leaves The Dalles at 8:30 a. m., returning at 7 p. m. On reaching the Locks the band will give a grand open air concert, and also furnish dance music for those who wish to dance.

As the Excursion is for the purpose of obtaining uniforms, and a considerable amount will be needed, the price of tickets has been placed at one dollar, with a feeling that the many friends of the organization will see that the boat is filled to the limit. Tickets may be had at the principal business houses and of the members of the band. It will be well to buy your tickets early, if you care to enjoy this delightful excursion. Remember the date and time of leaving.

The house of representatives has shown once more that it is abreast of the times. By a vote of 195 to 26 it has passed a bill to prohibit foreign

immigration of an undesirable sort. By the measure passed all aliens between the ages of 16 and 60 years (except parents of persons living in this country) who cannot both read and write English, or some other language, are prohibited from entering the American domain. The action of the house will meet with hearty approval. This measure does not shut out the intelligent foreigners, whom we are glad to welcome to citizenship, but bars those who are illiterate and would, in all probability never appreciate the wisdom and glory of American institutions.

It is generally conceded that as between Ellis and Northrup Mr. Ellis has the best chance for election. A vote for Northrup, then, is a vote for Bennett or Quinn, since it takes so much away from the leading Republican strength. Does Oregon want to indorse the Wilson bill or lend strength to the delusions of Populism? The interests of the wool-grower should not be put in jeopardy because of the selfishness of a Portland political clique.

The administration is on the verge of making another bond sale. The revenues of the government during the last fiscal year have fallen \$30,000,000 below its expenses, and the shipments of gold abroad have brought the gold reserve to a point dangerously near the low water mark. The record of the present administration is a dismal one from beginning to end. Upon what possible grounds can it ask endorsement from the people?

Can anything be said against the record made by County Clerk Kelsay while in office? If not, his reelection should come as a matter of course. The interests of the taxpayers have been well taken care of by the present county clerk.

Judge George H. Williams uttered a worthy sentiment when he said "honesty, truth and decency are with me higher considerations than any party."

Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug Store.
