

BAND EXCURSION!

The first excursion of the season will be given by

THE DALLES CONCERT BAND.

On the STEAMER "REGULATOR" to CASCADE LOCKS, on

SUNDAY, MAY 24.

Steamer leaves The Dalles at 8:30 a. m., returning at 7 p. m. On reaching the Locks the band will give a grand open air concert, and also furnish dance music for those who wish to dance.

As the Excursion is for the purpose of obtaining uniforms, and a considerable amount will be needed, the price of tickets has been placed at one dollar, with a feeling that the many friends of the organization will see that the boat is filled to the limit. Tickets may be had at the principal business houses and of the members of the band. It will be well to buy your tickets early, if you care to enjoy this delightful excursion. Remember the date and time of leaving.

ANOTHER MISSTATEMENT CORRECTED.

A few days ago the Mountaineer contained an article charging Sheriff T. J. Driver with lobbying at Salem in the interests of the sheriff's mile-

age bill. The following statement should set at rest any doubts the public may entertain as to Mr. Driver's personal intention or attitude upon that question:

PORTLAND, May 18, 1896.

To Whom It May Concern:

At all meetings of the sheriff's conventions of the state of Oregon, T. J. Driver, sheriff of Wasco county, expressed himself as being in favor of having the law, as to the compensation of sheriffs remain as it was, and in the event of any change in said compensation of sheriffs being made by an act of the legislature, he would not oppose such change, but would continue to act in such matter under the law as it existed at the time of his assuming the duties of sheriff of Wasco county.

GEO. C. SEARS.

Pres. of Sheriff's Convention.

A report has originated, and the circulation commenced of a story by a friend of Judge G. C. Blakeley that when he assumed the office of county judge of Wasco county he found the county \$110,000 in debt, and that he has reduced this amount to such an extent that should he be re-elected, in another year he will wipe out the debt entirely. It is needless to say that this silly fable will not be circulated among that class of men who read THE CHRONICLE, or any other publication. It is meant for the ignorant and uninformed, and the man who started it says the story will be circulated widely the coming week. Any reader of THE CHRONICLE knows that the county debt is a few hundred dollars greater than when Mr. Blakeley assumed the office. But this story will have its effect. There are those in every community who cannot, or do not, read, and they will believe it, and believing it, will vote for Blakeley.

Senator Gorman's proposed issue of \$100,000,000 of treasury certificates to pay the deficit between the current revenues and expenditures of this government will startle the country to a clearer knowledge of the distress of the United States treasury. This deficit began with the Cleveland administration, and has been deep seated and continuous. It has forced nearly \$200,000,000 additional bonded indebtedness

upon the people, and is one of the chief causes of the existing financial distress. Upon these bonds it is now proposed to throw \$100,000,000 of treasury notes, or national warrants. The proposal will meet with a whirlwind of popular indignation.

There has never a word of reproof or criticism been uttered, that we have ever heard, regarding Mr. Kelsay's management of the county clerk's office. He has held the office but one term, and if the people appreciate a good officer in a responsible position, they will endorse his conduct by re electing him county clerk.

Mr. Butts has performed his share in saving the county expense in the matter of inquests, and might have held twice as many if his object were only to milk the county. The spirit is worthy of wide emulation, and he deserves re-election to encourage such a policy in other office-seekers.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market.
