

THE BEST FAMILY MEDICINE

She Has Ever Known. Words of Praise from a New York Lady for

AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my inevitable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best of all family medicine I have ever known. — Mrs. May Johnson, 368 Rider Avenue, New York City.

PROGRESS.

People who get the greatest degree of comfort and real enjoyment out of life, are those who make the most out of their opportunities. Quick perception and good judgment, lead such promptly to adopt and make use of those refined and improved products of modern inventive genius which best serve the needs of their physical being. Accordingly, the most intelligent and progressive people are found to employ the most refined and perfect laxative to regulate and tone up the stomach, liver, and bowels, when in need of such an agent—hence the great popularity of Dr. Pierce's Pleasant Pellets. These are made from the purest, most refined and concentrated vegetable extracts, and from forty-two to forty-four are contained in each vial, which is sold at the same price as the cheaper made and more ordinary pills found in the market. In cumulative virtues, there is no comparison to be made between them and the ordinary pills, as any one may easily learn by sending for a free sample, (four to seven doses) of the Pellets, which will be sent on receipt of name and address on a postal card.

ONCE USED THEY ARE ALWAYS IN FAVOR. The Pellets cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, dyspepsia, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. Put up in glass vials, therefore always fresh and reliable. One little "Pellet" is a laxative, two are mildly cathartic. As a "dinner pill," to promote digestion, take one each day after dinner. To relieve distress from over-eating, they are unequalled. They are tiny sugar-coated granules; any child will readily take them. Accept no substitute that may be recommended to be "just as good." It may be better for the dealer, because of paying him a better profit, but he is not the one who needs help. Address for free sample, WORLD'S DISPENSARY MEDICAL ASSOCIATION, 663 Main Street, Buffalo, N. Y.
