## AGAIN THE CYCLONE

This Time It Strikes in Central Iowa.

MANY PEOPLE REPORTED KILLED

Great Damage to Property in the Section Visited—Cloudburst Strikes Chicago.

DES MOINES, Ia., May 25.—Twenty-three people are reported dead as a result of the cyclone which swept over the northern part of Polk county last night at 11 o'clock.

The towns afflicted are Bondurant, Valleria, Santiago and Ira. No telephone, or telegraphic communication has been established except with Bondurant, which reports four deaths there in the Baley family, with five of the same family seriously injured. Three of the Phelan family and Mrs. Schell were killed at Valleria. At Santiago three were killed in the Bolenbaugh family. Between Valleria and Ira, the death list is nine. A special train has been started from Des Moines with physicians on board. The storm is said to have swept along the line of the Great Western from Bondurant to Marshalltown.

Cyclone in Jasper County.

MARSHALLTOWN, Ia., May 25.—A cyclone last night along the Chicago & Great Western railway, in Jasper county, killed probably 25 people. It injured more than that number.

The property loss is over \$100,000. Several miles of railroad track were practically destroyed.

Several Lives Lost.

MILWAUKEE, May 25.—A cloudburst at North McGregor, Ia., resulted in great destruction of property and the probable loss of several lives. One body has been recovered in the debris.

Miles of the track of the St. Paul railroad are under water. Bloody Run overflowed so quickly that people living in the ravine could not save their property. Several persons are reported as missing.

THE STORM AT ELMA.

Many Buildings Unroofed and Business Fronts Smashed in.

ELMA, Ia., May 25.—A terrific storm, cyclone in form, occurred here last night. Many buildings were unroofed, trees uprooted, telegraph and telephone poles and wires demolished, and numerous business fronts smashed in. The town is almost a lake. No one was hurt. The people took refuge in cellars. The storm struck here at 8 p. m. At Alta Vista a man was killed, and two children badly hurt.

At Bondurant.

DES MOINES, May 25.—The storm struck hard at Bondurant, 15 miles north of here. It is reported that 24 persons were killed there.

At Valleria.

NEWTON, Ia., May 25.—Valleria, a mining village about 15 miles west of Newton, was nearly wiped out of existence by a cyclone last night. Fourteen people are reported to be killed.

At Manchester.

MANCHESTER, Ia., May 25.—A cyclone struck Manchester at 1 o'clock last night, leaving a track six or eight miles long in ruins. Mrs. Ira Howland and William Murray were seriously injured.

STORM AT CHICAGO.

Buildings Demolished, Trees Uprooted and a Downpour of Rain.

CHICAGO, May 25.—In the suburbs of Edison Park, Irving Park, Norwood Park and Evanston, nearly a score of buildings, two of them churches, were demolished, and hundreds of shade trees were uprooted in this morning's storm. The rainfall amounted to a cloudburst, the

precipitation being, according to the weather bureau, 1.45 inches in ten minutes, breaking all previous local records.

THE PROHIBITIONIST PARTY.

A Bitter Fight Probable Upon the Financial Issue.

PITTSBURGH, May 25.—At the time of the national prohibition convention approaches, the prospect of a bitter fight over the money plank increases.

Samuel Dickie, chairman of the national central committee, said today that the adoption of a free silver plank will cost the party 100,000 votes.

On the other hand, ex-Governor John St. John, of Kansas, says:

"If McKinley is nominated at St. Louis and the democrats adopt a gold standard plank at Chicago, the prohibition candidate for president will stand a good chance of election if we adopt a free silver plank."

The New Motive Power.

NEW YORK, May 25.—Unless the proverbial "unexpected" happens, the Metropolitan Traction Company will be running cars with compressed air motors in this city by the middle of the next month. The probability is that experiments will be made with the new motor before that time, but by July 1st the cars are expected to be in regular service, on the Lexington-avenue line and the Twenty-third street cross-town line.

The managers of the Metropolitan system in this city have made every effort to keep the adoption of the new motor a secret. President H. H. Vreeland refused to say a word about it, but P. A. B. Widener, who was interviewed by a reporter in Philadelphia, confirmed the report.

Arizona Apaches Committing Crimes.

TUCSON, Ariz., May 25.—Colonel E. V. Sumner, who arrived today from Fort Grant, has received advices from Guadalupe canyon, Sonora county, that Lieutenant Averill found the body of an Apache killed in a recent engagement, and that they are on the trail of another Apache, who dropped his gun and field glass, leaving a trail of blood.

Two troops of cavalry are now at San Bernardino, and two more are en route. Col. Sumner leaves tomorrow to take the field in person.

There is a report of the killing of sixteen persons near San Bernardino, which is not credited here.

Democratic Speaking.

Hon. A. S. Bennett, Democratic nominee for congress in the Second district, will address the voters of the district at the following places on the following dates:
