AN UNMERITED CHARGE.

The Dalles Chronicle seems greatly worried over the combine of the minority parties. It says: "Democracy and Populism joined in holy wedlock! What will the harvest be?" The harvest will be the election of a good clean ticket that will serve the mass of the people. It will mean the defeat of the Joe Simon henchmen who tell one thing but always cower to the dictates of their master.—Wasco News.

This article from the News is a direct slander at the four estimable gentlemen nominated for the legislature by the Republicans of Sherman and Wasco counties. John Michell, Walter Moore, B. S. Huntington and F. N. Jones are not Joe Simon henchmen. They belong to no man, and the political collar has not yet been forged that would fit their necks. They are honorable gentlemen, every one of them, and when elected to the legislature will guard the interests of the people as a sacred trust.

It is true the last legislature brought no honor to the state or the Republican party, but the trouble was a lot of Populists were elected to seats in that body under the guise of Republicans. The fault was with the men, not the principles of the party. The candidates upon the Republican ticket in this legislative district are men whose word in pri-

vate life is as good as their bond. They have pledged themselves to resist all uneconomic measures; to abolish all useless commissions; to use their best efforts to secure for the people of Sherman county relief from exorbitant railroad rates, and to obviate the discrimination that is practised against them.

The trouble in the past has been too little care was shown in the nomination and election of members to the legislature. Men were chosen not because of their ability, but for their willingness to stand in on the election of a United States senator. This is not the case now, and if the people of Wasco and Sherman counties want to be well represented in the coming legislature, let them vote for Messrs. Moore, Michell, Huntington and Jones.

To deny that Judge Bennett is a free trader is to fly in the face of all his utterances. A free trader is one who believes in free trade. Judge Bennett is wedded to that theory as he is to free silver. All his speeches confirm this statement. Time and again he has said that free trade would benefit the people of the country, and followed this remark with the further one that the finances of the government were in such a shape that revenue was necessary from some source, and so he would consent to a tariff for revenue only. He is opposed to the essential principles of protection, and has denounced them with all his vigor. If this does not make a free trader, what does?

Should Robert Mays be elected county judge next Monday, the taxpayers of Wasco county will receive the benefits of an economical administration. Mr. Mays has every qualification for this important office. It will hardly be a case of changing from an old and tried official to a "New Man" when Mr. Mays succeeds Judge Blakeley.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market.
