TRIUMPHANT REPUBLICANISM.

The result of the election throughout the state indicates victories all along the line for the Republicans. The election of Ellis is conceded in the Second district and that of Tongue in the First. Bean, as was expected, won hands down. Penoyer will rule the destiny of Portland, while the Mitchell Republican ticket is in the lead. The conditions in the Second district are particularly satisfactory, and the people have frowned upon the bolter and the bolter's supporters.

The lesson that can be learned from Ellis' election teaches that the people realize the great issue before the country, and by their ballots endorsed the protective policy—the foundation stone in the Republican structure. The fight against Ellis was a bitter one, and should he triumph, as there is now every indication that he will, it will be because his campaign was fought on the protective issue.

With the exception of Mr. Moore, whose election is in doubt, Wasco county is sure to be represented in the legislature by men of firm adherence to Republican principles and acknowledged worth.

The triumph of the Republican ticket over the Demo-Populist fusion is a cause of much satisfaction.

The campaign has been fairly fought and handsomely won. THE CHRONICLE, with hundreds of other Republicans, takes pleasure in saying that right has triumphed and champions of unsound theories have been defeated.

WASCO MAINTAINS HER LEAD.

The voters of Wasco county did nobly yesterday. At this hour it looks as if the entire county ticket is saved to the Republicans. The verdict rendered yesterday can be interpreted as meaning that Wasco county believes firmly in the principles of Republicanism and refuses to swing in the direction of Populism or Democracy.

As THE CHRONICLE has reiterated again and again, the ticket named by the county convention was one of the best ever given to the voters for their consideration and the large majorities the Republicans received indorse the work of the delegates. Wasco county has repudiated populism, and sends word to the rest of the state that the banner county of Eastern Oregon can be depended upon to remain loyal to Republican principles.

We congratulate the Republican candidates upon their deserved success.

The inconsistencies of yesterday's voting were everywhere apparent. Many ballots were found where the voter had indicated his choice for Northrup and then voted for Populists on the legislative ticket, thus showing a straddle on the money question wider than that attempted by either of the great parties. Just how a man who favors the gold standard could vote for Populists to the legislature, who would, if elected, vote for free silver and fiat money, is past comprehension.

PHYSICAL STRENGTH,

cheerful spirits and the ability to fully enjoy life, come only with a healthy body and mind. The young man who suffers from nervous debility, impaired memory, low spirits, irritable temper, and the thousand and one derangements of mind and body that result from, unnatural, pernicious habits usually contracted in youth, through ignorance, is thereby incapacitated to thoroughly enjoy life. He feels tired, spiritless, and drowsy; his sleep is disturbed and does not refresh him as it should; the will power is weakened, morbid fears haunt him and may result in confirmed hypochondria, or melancholia and, finally, in softening of the brain, epilepsy, ("fits"), paralysis, locomotor ataxia and even in dread insanity.

To reach, re-claim and restore such unfortunates to health and happiness, is the aim of the publishers of a book of 136 pages, written in plain but choice language, on the nature, symptoms and curability, by home-treatment, of such diseases. This book will be sent sealed, in plain envelope, on receipt of this notice with ten cents in stamps, for postage. Address, World's Dispensary Medical Association, Buffalo, N. Y.

For more than a quarter of a century physicians connected with this highly celebrated institution have made the treatment of the diseases above hinted at their specialty. Thousands have consulted them by letter and received advice and medicines which have resulted in permanent cures.

Sufferers from premature old age, or loss of power, will find much of interest in the book above mentioned.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. The Discovery Saved His Life.

Mr. G. Cailloutte, Druggist, Bearsville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store. 2
