A SUCCESSFUL TRIP

Return of the Filibuster "Three Friends."

CARRIED ARMS AND MEN TO CUBA

She Was Fired upon by a Spanish Warship—Finally Eluded Her Pursuer.

JACKSONVILLE, Fla., June 4.—After a thrilling voyage, during which she was chased and fired upon by a Spanish steamer, the filibuster Three Friends has reached this port, after landing more than 100 men and a large cargo of arms and ammunition in Cuba.

The landing was made on the night of May 29, west of Trinidad, on the south coast of Santa Clara province. The men and ammunition were received by a strong detachment from General La Crete's column, and there was not a Spaniard in sight to interfere.

On the day before landing, May 28, occurred the most exciting incident of the voyage. The filibuster was off the coast of Cuba waiting for signals from the shore, when a Spanish warship hove in sight and gave chase. There was nothing to do but run for it, and the Three Friends stood for the open sea, with the Spaniards in hot chase. Captain Broward, in command of the Three Friends, watched the Spaniard. The Spaniard was crowding on steam, for a black cloud came from her stack. In the cruiser's military top Captain Broward saw several Spaniards taking turns at the class. Suddenly there was a puff of smoke from the cruiser and a shell burst over the Three Friends. The Spaniards sent shell after shell after the filibuster. But all went wide of the mark. Finally Captain Broward, who is ex-sheriff of Daval county, and noted for his courage, got tired of being shot at and decided to have a shot at the Spaniard. There was a 12-pound Hotchkiss on the Three Friends and this Captain Broward trained on the cruiser, for he saw a great commotion on board. Several shots were exchanged, but meanwhile the Three Friends were gaining on the Spaniard. The engines of the filibuster behaved beautifully, and the stokers worked with easiness, for there were more than 200 men on board whose lives depended on the speed of the Three Friends. Finally the filibuster left the Spaniard. As the warship sank below the horizon, first the hull, then the mast and military top, and last the Spanish flag, a great cheer arose from the daring men on the Three Friends.

That night the Three Friends circled around at sea. On Friday, May 29, she again cautiously approached the Cuban coast about nightfall, west of Trinidad, and a rocket—the signal agreed upon—was sent up. It was answered from shore. There were six submarines on board, and in these the men and arms were transferred to shore. In four hours the landing was completed, and the Three Friends stood for the Florida coast.

This is the third expedition the Three Friends has landed in Cuba. Captain Broward would give no information about the Laura, save that when she left Jacksonville she had men and arms or Cuba, and that he expected to soon hear of her being in some Jamaican port.

THE CATALOGUE OF CRIME.
Officers Gradually Closing in Upon Dunham, the Murderer.

LOS BANOS, Cal., June 4.—Reports still locate Dunham in the vicinity. Local officers are alert. The trail is still southward; the direction taken would indicate that he was making for the plains. He would probably reach the river about Firebaugh. At Tim O'Connor's, about 12 miles north of East

Bells station was found a freshly killed calf; a little further on the searchers came across a lunch basket in which was a part of the fresh meat.

Yesterday a man answering Dunham's description was seen at the ranch of Chas. Jones, on Los Banos creek, about 14 miles from town; he made a raid on the garden, taking all the ripe peas and turnips. He was later seen at Christophe Padias, in Pedron Azule canyon, a small creek 22 miles southwest of Los Banos, and went to the house for food and water, which he got. He was asked to stay all night, but refused, and seemed anxious to get away. His shoes were pretty well worn, having the appearance of rough roads. Officers are now in that country, and the brush and timber is being thoroughly searched. The country is settled mostly by Indians of low type, who would aid and conceal any fugitive for money.

If he keeps this direction he is bound to be caught. No cattle and sheep are in the hills, and water is very scarce. He will be obliged to go to the houses for food and water.

MURDERED THEIR FATHER.

The Crime of a Farmer's Two Sons in Kansas.

CLAY CENTER, KAN., June 4.—Last evening John McCoy's two sons, Robert and Angus, shot and probably fatally wounded their father, a farmer. The boys rode to town and gave themselves up.

One year ago the parents were divorced and later the father shot at his wife through a window and was afterward tried and acquitted on the ground of insanity. Lately the boys have been carrying revolvers, with the knowledge of the county attorney, for the expressed purpose of defending themselves if attacked by their father. Tuesday night the old man took a horse from the home place south of here, where the mother and children were living. The boys came up and took the horse from where their father was stopping. He mounted another horse and followed the boys, both of whom opened fire. A bullet passed through the father's lung, lodging near the backbone. The doctors say he cannot live.

The Discovery Saved His Life.
Mr. G. Caillontee, Druggist, Bearersville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

How to Cure Rheumatism.
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

It May Do as Much for You.
Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so-called kidney cures but without any good result. About a year ago he began to use Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. At Blakeley & Houghton's Drug Store.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which there are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.
