## UNTOLD MISERY

### RHEUMATISM C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physi-cians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills but could obtain only ten porary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and ut of shape, the muscles leg were drawn

being twisted up in knots. I was unable to dress myself, except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injec-tions of morphine. I had my limbs bandaged in clay, in sulphur, in poultices; but these gave only temporary relief. After trying everything, and suffering the most awful tortures, I began to take Ayer's Sarsaparilla. Inside of two mouths, I was able to walk without a cane. In three months, my limbs began to strengthen, and in the course of a year, I was cured. My weight has increased to 165 pounds, and I am now able to do my

In Answer to McCoy.

To the Editor Chronicle: GENTLEMEN:-In answer to McCoy's statement of the 3d inst. I wish to make

the following reply: I undertook to do the work for a stipulated price per yard and intended to furnish my own teams and tools from California, but McCoy urged me not to do so as it would cost too much to ship them up here, and that I could get all the teams and men needed here. I did

all in my power to procure teams, etc., but on account of the bad name the ditch company had in regard to dealing honestly, I was compelled to work at a great disadvantage and could easily have finished the entire ditch in ninety days had not the affairs of the said ditch company been misrepresented by this man, McCoy. Handicapped as I was, I have finished three and three-fourths miles of said ditch in a manner that he himself (McCoy) was perfectly satisfied with. The misrepresentations that he has seen fit to publish are in keeping with all his acts and deeds he has made and shown to my men and myself. He says the farmers are damaged to a large amount by not having water in the ditch, but as far as I am able to learn,

the only damage done them has been caused by McCoy not treating the farmers as an honest man should, some two Respectfully,

The readers of this paper will be pleased to learn that there least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Care is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:
