NO 131.

DRAWING TO AN END

Congress Clearing Away the Decks for Adjournment.

THE DEFICIENCY BILL VETOED

House Sustains the Veto and Passes a Substitute Measure—Fishing Things in the Senate.

WASHINGTON, June 6.—The senate made some progress today toward clearing away the large appropriation bills which stand ahead of adjournment. The Indian bill was finally disposed of, the contract school item being modified so Catholic schools would be abolished July 1, 1897.

After discussing the items of battle-ships and armor-plate most of the day, the senate declined, by a vote of 24 to 22, to accept the conference report recommending three battle-ships and armor-plate at the maximum cost of \$425 per ton.

The sundry civil conferees were instructed by unanimous vote to insist upon the appropriations for new public buildings at the capitals of Utah, Idaho, Wyoming and Montana, and additional sums for buildings at other points.

The house cleared its decks for adjournment today by disposing of all the essential business before it. The president's veto of the general deficiency bill proved effectual, as the house, by a vote of 140 to 14, refused to pass the bill over the veto, and sent to the senate a substitute omitting the French spoliation and other claims which had incurred the president's opposition.

Although there was little debate on the Indian bill before report, which involved a compromise extending government aid to church schools for another year, when it came to a vote, the compromise was rejected by a narrow vote of 58 to 65.

An act authorizing the state to make liens on arid lands to cover expenses of reclamation was adopted and another bill was passed limiting mail which can be franked to written and printed matter.

DEMOCRATS OF UTAH.

State Convention Adopts the Usual Silver Plank.

SALT LAKE, June 6.—Judge Powers, of the state committee, called the Democratic convention to order today at 11:15 a. m. and named for temporary officers of the convention, Colonel A. C. Ellis, of Salt Lake, chairman, and M. F. Murray, of San Pete, secretary. Colonel Ellis, in his speech, said the party platform should be written in the briefest and simplest sentences. It should declare that there must be no union of church and state; that the people of Utah were in favor of sound money—of silver and gold at the ratio of 16 to 1—and that no uncertain or double meaning language should be used. Once more the Democrats were going back to the nestors of the party; the sentiments and efforts of the Morgans of Alabama, the Blands and Vests of Missouri, the Blackburns of Kentucky, the Boies of Iowa and the Stevensons of Illinois would yet be its salvation.

The speaker said the people were aroused and he believed they would yet declare for freedom and prosperity and sweep the country, the statements of Chauncey Depew, the greatest American humorist, and the yellow chrysanthemum statesman from Nebraska, who presides over the agricultural interests of the United States, to the contrary notwithstanding.

TONGUE IN THE LEAD.

Brought to the Front by the Vote in Curry County.

Curry county has been heard from and Thomas H. Tongue, Republican candi-

date for congress in the First Oregon district, now leads W. S. Vanderburg, the Populist, by 44 votes. The vote in Curry was: Tongue, 283; Vanderburg, 138. Besides this plurality of 150 for Tongue, the official count in Douglas county has resulted in 32 being added to Tongue's total and a loss of 5 by Vanderburg, or a change of 37 votes in Tongue's favor. The returns are in from all precincts in all counties in this district, except two in Coos county, and the vote returned is: Tongue, 19,328; Vanderburg, 19,284. It is easy to see how much depends upon the official counts.

To Continue Work on Cascade Canal.

WASHINGTON, June 6.—The conferees on the sundry civil appropriation bill agreed today on a partial report. The item appropriating \$179,189 for the opening of the canal at the cascades of the Columbia river will be compromised so as to provide that the work authorized shall be continued as proposed by the senate and not completed as was contemplated by the house bill.

The provision for the survey of the public lands was also compromised, the figure being fixed at \$325,000.

HOW KANSAS WILL VOTE.

Seventeen of the Twenty Republican Delegates Opposed to Free Silver.

TOPEKA, June 6.—The fact that the Kansas Republican convention to elect delegates to St. Louis, held the same day as the Ohio convention, adopted no resolutions on the money question, has created much interest. Kansas has not been included in any of the published estimates of the votes at St. Louis.

To show how the Kansas delegation stands on the silver question, the Topeka Capitol will publish tomorrow letters from 19 of the 20 delegates. Seventeen of the delegates declare themselves emphatically against the free coinage of silver, and in favor of the preservation of the present monetary standard, while one is in favor of a bimetallic standard and one is in favor of the greatest possible use of silver, but "with every dollar as good as any other dollar."

The delegates were instructed for McKinley by unanimous vote in the state and district conventions.

How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1 per bottle at the Snipes-Kinersly drug store.

It doesn't take much medicine to cure Malarial Fever, provided you take Simmons Liver Regulator. It is just the remedy for malaria and all spring ailments. And you don't need to take much of it. "Simmons Liver Regulator broke a case of Malarial Fever of three years standing for me, and less than one bottle did it. I still use it when in need of any medicine."—C. Himrod, Lancaster, Ohio.

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.
