

CANCER CURED
—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improved. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

THANKFUL MOTHER'S BLESSING
Charity's Reward—The Place Where It Is Never Cold.

There is an old lady on the West side, a white-haired, benevolent-looking woman, whose 69 years of life have been filled with good deeds, says the Chicago Times Herald. She is always doing good, and the worthy poor always find in her a friend in need. It was during the first cold snap this winter that she heard a poor widow, an Irishwoman, with four small children, who were in need of clothing to protect them from the cold. The next day, with a large bundle of clothing, she visited the comfortable rooms of this unfortunate family. The mother had gone out, but the children were there, and this old lady, whose charity work is of the practical sort, proceeded to dress the little ones herself, beginning with the youngest, a mere baby. She was just fastening the last button of the dress of the eldest girl when the door opened and the mother walked in. She was chilled through, tired, and discouraged from her failure to get work. It took but an instant for her to grasp the situation, and when she looked into the kindly face of the benefactress her eyes were filled with tears.

"God bless ye, mum, for your kindness to my little ones," she said, "and may ye never go to a place that is cold."
"My good woman," replied the old lady, "perhaps the reason I do this is to avoid going to a place that is hot."

A Wise Precaution.
The president of a large accident company tells this remarkable story and locates the occurrence in Brooklyn: "Some time ago a large policy holder in my company was run over by a trolley car and his right leg painfully crushed. He remained conscious after the shock for three minutes, during which time he pulled out his watch and called the attention of the crowd to the fact that it was just 15 minutes to 12 o'clock. His policy expired at noon, and his foresight was rewarded by the immediate payment of his weekly indemnity without controversy or litigation."

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

"Get it" is good advice, but "Take Simmons Liver Regulator" is better for your health and happiness. Everybody should take a liver remedy occasionally and especially in the spring to wake up the torpid liver and keep up a healthy circulation of good rich blood, free from poison and full of nourishment to the body. "We would not keep house without it."—H. G. G. Fink, Springdale, Pa.

Enjoyed the Columbia Scenery.
A few weeks ago a party of celebrated tourists from New York state inspected the Columbia river scenery from the decks of the Regulator and Dalles City. Considering that they have often viewed the famous Hudson river scenery, the following words of praise will have much weight. In a personal letter to the D. P. & A. N. Co. they say:

"We had a most delightful day, and it was a revelation to us that we shall never forget. The trip is certainly one of the most interesting and instructive that a person can have in a single day, as from the deck of your steamers the beautiful views with which the Columbia river abounds can be seen to perfection. Please extend the thanks of all our party to the captains and purers of the 'Dalles City, and the 'Regulator.' They were all very kind and attentive to us, in showing us the places of interest; their many courtesies added greatly to the pleasures of our trip."

Still No Money.

THE DALLES, June 17, 1896.
THE DALLES CHRONICLE—According to latest reports concerning Laborers vs. McCoy, the settlement is far from adjusted yet. Mr. Paulson told Mr. Driver today he would do nothing to help him out of his financial position, but would rather turn around and even help to convict both him (McCoy) and Clinton. Now, the men are getting tired of McCoy's promises and lies. It has gone so far that the men feel that McCoy ought to do something to get a settlement on the men's claim.

I do not want to stand by and see my employes defrauded if I can help it. If McCoy wished to do right he could give the men one-half of their earnings, endorse same on the back of the men's notes, and give real estate or other security for the other half. The men are not unreasonable; they want their rights, which they are surely entitled to according to the times and wages now going through this country. Yours respectfully,
F. ERICKSON.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.
