SILVER MEN BOLTED YESTERDAY

Enough Left To Do Business—Teller and Associates Bid Farewell to the Republican Party.

St. Louis, June 17.—At the conclusion of Teller's speech, Foraker, of Ohio, made an eloquent reply.

Cannon, of Utah, spoke in support of the silver substitute.

The vote resulted in the adoption of the majority report by a vote of 182 1/2 for gold to 105 1/2 for silver.

Upon the announcement of the result thirty-five or forty delegates from Colorado, Idaho, Utah, Montana, Nevada, North Carolina and South Carolina withdrew.

Intense confusion and excitement prevailed during the withdrawal of the silver men.

When the convention had become quiet Chairman Thurston remarked that there still seemed to be members enough left to do business. The remark was greeted with deafening applause.

The nomination of candidates for president was the next business taken up. Lodge, of Massachusetts, in an able and polished speech, presented the name of Thomas B. Reed, of Maine. Littlefield, of Maine, seconded the nomination. Each mention of Reed's name was greeted with enthusiastic applause.

Depew presented the name of Levi P. Morton, of New York. He referred to the seceding silver states as the "erring sisters." Depew said that Morton would not accept second place unless it were the unanimous wish of the convention.

Foraker, of Ohio, arose and began a speech nominating William McKinley, of Ohio. At the first mention of McKinley's name the whole convention arose almost en masse and cheered and yelled, threw hats, canes and umbrellas in the air, waived handkerchiefs and fans, and raised such a bedlam of sound and confusion that the strains of the band were entirely drowned. After ten minutes the uproar began to calm down and Foraker again attempted to speak, but the noise began with redoubled fury. "The Star Spangled Banner," "Hail Columbia," "The Red, White and Blue," "Marching Through Georgia," and half a dozen other tunes were sung at the same time in various parts of the hall.

Foraker arose to speak at 3:14 and at 3:30 it seemed that the demonstration would never cease.

The uproar finally wore itself out and Foraker was allowed to finish his speech. Governor Hastings of Pennsylvania placed Matt Quay in nomination.

The roll of states was called with the result that after Ohio had been called McKinley had 467 1/2, more than enough to nominate. The total vote stood McKinley 661, Reed 84, Morton 58, Quay 61, Allison 35.

A Tearful Farewell to the G. O. P.

St. Louis, June 18.—The Teller silver amendment to the platform was defeated today by a vote of 41 to 10. The silver senators announced that they must declare themselves out of the party. Teller will submit a 16 to 1 silver plank and if it is not adopted and the gold plank adopted the silver men will walk out of the convention. Dubois, Idaho; Cannon, Utah; Lemmon, California; White, South Carolina; four members of the committee on resolutions, have agreed to bolt as soon as a gold plank is adopted. They will take a number of their delegates with them.

The scene in the committee room when Senator Teller announced the decision of the silver men is said to have been very affecting. The silver men de-

clared that it wrung their heart strings to sever their connection with the grand old party, but loyalty to their principles and the commonwealths that they represented made the step imperative. Touching and tearful farewell speeches were made by both silver and gold men, and everybody felt as sad as when bidding a final adieu to his dearest sister or best girl.

The bolting silver delegates will probably hold a little convention of their own, and forestall the Chicago convention and the later St. Louis free silver convention by naming Senator Teller for president.

Governor Drake, of Iowa, is trying a new system with penitentiary convicts. He grants no pardons. But when a petition for pardon comes to him signed by the convict's neighbors and by the prosecuting attorney and judge, he suspends the sentence on condition that the man will refrain from the use of intoxicating liquors and conducts himself as a good citizen. The persons who ask for the pardon are required to watch over the man and report to the governor in regard to the manner in which the man is keeping his agreements. Not long since the governor, in response to a very strong petition, granted a suspension. The convict soon got drunk and began to threaten revenge against those who had taken part in his prosecution. Governor Drake ordered the sheriff to take him back to the penitentiary, "and now he will stay there." This plan seems to be a great improvement on the careless and wholesale exercise of the pardoning power indulged in by so many governors. If the executive can give it sufficient time, it ought to result in success.

How to Cure Rheumatism.

ARAGO, COOS CO., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.
