

## CANCER CURED —AND A— LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

**AYER'S**  
The Only World's Fair Sarsaparilla.  
Ayer's Pills Regulate the Liver.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.

**Two Lives Saved.**

He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. ### The Platform.

The platform, adopted by the Republican national convention, besides reiterating its long established principles of protection and reciprocity, and its gold standard plank as published the other day, has the following planks:

#### FOREIGN IMMIGRATION.

"For the protection of the quality of our American citizenship and the wages of our workmen against the fatal competition of low-priced labor we demand that the immigration law be thoroughly enforced and so extended as to exclude from entrance to the United States those who can neither read nor write.

#### CIVIL SERVICE.

"The civil service law was placed on the statute books by the Republican party, which has always sustained it, and we renew our repeated declarations that it shall be thoroughly and honestly enforced and extended wherever practicable.

#### LYNCHINGS.

"We proclaim our unqualified condemnation of the uncivilized and barbarous practice, well known as lynching, or killing of human beings suspected or charged with crime, without process of law.

#### NATIONAL ARBITRATION.

"We favor the creation of a national board of arbitration to settle and adjust differences which may arise between employers and employees engaged in interstate commerce.

#### TEMPERANCE.

"We sympathize with all wise and legitimate efforts to lessen and prevent the evils of intemperance and promote morality.

#### RIGHTS OF WOMEN.

"The Republican party is mindful of the rights of women. Protection of American industries includes equal opportunities, equal pay for equal work and protection to the home.

"We favor the admission of women to wider spheres of usefulness, and welcome their co-operation in rescuing the country from Democratic and Populist mismanagement and misrule.

#### ARMENIAN MASSACRES.

"The massacres in Armenia have aroused the deep sympathy and just indignation of the American people, and we believe the United States should exert all the influences it can properly exert to bring these atrocities to an end. In Turkey American residents have been exposed to the gravest dangers and American property destroyed. There, as everywhere, American citizens and American property must be absolutely protected at all hazards and at any cost.

#### MONROE DOCTRINE.

"We reassert the Monroe doctrine in its fullest extent, and we reaffirm the right of the United States to give the doctrine effect, by responding to the appeals of any American state for friendly intervention in case of European encroachment.

"We have not interfered and shall not interfere with the existing possessions of any European power in this hemisphere, but those possessions must not, on any pretext, be extended. We hope to look forward to the eventual withdrawal of the European powers from this hemisphere and to the ultimate union of all the English-speaking parts of the continent by the free consent of its inhabitants.

#### CUBA.

"From the hour of achieving their own independence, the people of the United States have regarded with sympathy the struggles of our American peoples to free themselves from European domination. We watch with deep and abiding interest the heroic battle of the Cuban patriots against cruelty and oppression, and our best hopes go out for the full success of their determined contest for liberty.

"The government of Spain, having lost control of Cuba, and being unable to protect the property or lives of resident American citizens, or to comply with its treaty obligations, we believe the government of the United States should actively use its influence and good offices to restore peace and give independence to the island.

#### Cure for Headache.

As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headache yields to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving a needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Fifty cents and \$1.00 at Blakeley and Houghton's Drug Store.

"Get it" is good advice, but "Take Simmons Liver Regulator" is better for your health and happiness. Everybody should take a liver remedy occasionally and especially in the spring to wake up the torpid liver and keep up a healthy circulation of good rich blood, free from poison and full of nourishment to the body. "We would not keep house without it."—H. G. G. Fink, Springdale, Pa.
