## READY FOR THE FRAY

Democrats of Three States  
Convene Today

THE LIST HEADED BY NEW YORK

Struggle Upon the Money Plank Is  
Probable Here—National Dele-  
gates Stated.

SARATOGA, June 23.—Delegates to the Democratic state convention, which meets here tomorrow, are arriving on every train. Senator Hill, ex-Secretary Whitney, Chairman Henkle and Mayor John Boyd, of Albany, are here. There are few contests, the most important being that of the Shepards from Kings county.

The question of the form which the convention's declaration on the currency question shall take is still open. Senator Hill is alleged to favor an unqualified plank in favor of gold. The four delegates-at-large to the Chicago convention will probably be Senator Hill, ex-Governor Flower, F. R. Coudert and Senator Murphy. It is practically determined that State Senator J. A. Canter, and ex-Postmaster-General Bisell will be the two alternates, with chances in favor of John Boyd Thatcher and John Stanchfield, the Democratic leader of the state assembly as the other two. Perry Belmont will be district delegate.

William F. Sheehan will refuse reelection as a national committeeman, and his place may be filled by John Boyd Thatcher. It is probable Bisell will sit in the national convention in the place of Mr. Murphy.

### OHIO DEMOCRATS.

Will Probably Declare in Favor of  
Free Coinage.

COLUMBUS, O., June 23.—The Democratic state convention meets here tomorrow. Delegates are all here for the district meetings, at 4 p. m., when the delegates to Chicago from some districts as well as members of the committee will be chosen.

Silver men have over 600 out of 700 delegates, and the gold men are making no contest. Ex-Governor Campbell, who arrived yesterday, announced today that he would not stand for delegate-at-large or for indorsement for president. Silver leaders have given notice that they want only pronounced free-silver men on the delegation to Chicago, and even with the unit rule they do not want any conservatives.

There is only one contest, that from Stark county. The committee on resolutions is expected to stand 18 to 3 for free silver. While John R. McLean and John W. Bookwalter are both slated for delegates-at-large, both are being pressed for places on the national ticket. This contest is expected to result in no nominations being given, except that the Ohio delegation vote as a unit. Gold delegates from Cleveland are preparing to fight the unit-rule instructions.

### INDIANA DEMOCRATS.

They Are Slated to Favor the White  
Metal.

INDIANAPOLIS, June 23.—The Democratic state convention will meet in this city at 10 o'clock tomorrow. There will be 1747 delegates. The caucus to be held tonight will undoubtedly be dominated by the silver men.

E. F. Shiveley will, it is believed, be the nominee for governor. The number of delegates in favor of free silver will be about 1,400 leaving the number for gold at about 340. Governor Matthews will be indorsed for the presidency and the delegates instructed to vote for him.

of the Texas Democrats met in separate sessions here today at noon. After perfecting a temporary organization and appointing committees, adjournment was had until afternoon. Last night both factions held caucuses. The silver men agreed to send eight delegates to Chicago. The proposed platform declares unequivocally for the free coinage of silver at 16 to 1. The gold men agreed that it would be best to send a delegation to Chicago to contest for the seats. Bland is expected this afternoon.

### PREPARING FOR A CRUISE.

United States Warships Being Rapidly  
Fitted for Sea.

NEW YORK, June 23.—Unless significant signs fail, the squadron of United States warships, just now stationed in the harbor of New York, will be dispatched soon on an important mission. Those who should be in a position to know say the destination will be the coast of Cuba. During the last week work on all the vessels has been doubled in response to a special order received from the secretary of the navy. The nature of this order cannot be ascertained. Every boat of the North Atlantic squadron, except the New York, which is still in the drydock, was taking in coal yesterday.

Officers admitted that services were omitted on board the ship on Sunday, but explained it by the necessity of making repairs so that the ships might be in condition to take the naval militia on their annual cruise early in July.

When asked if he expected orders to go to Cuba, Captain Farquhar, commanding the Newark, said:

"That I cannot talk about. Only the admiral is authorized to speak on that point."

### ALTGELD WILL ACCEPT.

This Announcement Was Made by  
Judge McConnell.

PROBIA, Ill., June 23.—"Governor Altgeld will be nominated and accept the nomination," was the announcement made by Judge Samuel P. McConnell, of Chicago, this morning. He had just had a long talk with the governor. McConnell said the governor had intended to retire from politics, as he often publicly declared. Then his health was poor and he was tired of public life. He is in good health now and his friends have brought such pressure upon him that it would seem almost like deserting the cause to quit now.

### Free-Silver Emblem.

WASHINGTON, June 23.—A design has been submitted to the patent office and copyright asked thereon for a floral emblem to be worn by the adherents of the free-silver clan. The emblem is in the form of the common field daisy, with 16 petals, each numbered on the tip from 1 to 16, and the yellow center marked with a figure 1. The adoption of the scheme is under consideration by the leading silver men now in Washington.

### The Militia Returns.

SALEM, Or., June 23.—Upon information from the authorities at Astoria that everybody was fishing and that the taxpayers and non-union fishermen favored the withdrawal of the militia, the governor today instructed General Beebe to order the remainder of the troops home.

It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
