

THE BEST FAMILY MEDICINE She Has Ever Known. Words of Praise from a New York Lady for AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derive the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these ailments, Ayer's Pills cannot be surpassed."

When my friends ask me what the best remedy for disorders of the stomach, liver, or bowels, my answer is, Ayer's Pills. Taken as directed, they will break up a cold, cure a grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-around family medicine I have ever known."

HE IS AN EMINENT SPECIALIST His Success in Treating Disease Simply Marvelous—List of Indorsements From People Who Have Been Cared By Him

We are pleased to announce that there is a physician in The Dalles—not simply a medical practitioner, but a physician of a very high order of merit, a scientist—one whose years of close study, close observation, close practical experience has enabled him to draw not only testimonials but the highest personal indorsements from the leading men of the country—congressmen, judges, etc.—and whose success in the medical field is today without a parallel. We allude to Dr. Darrin, who has offices at the Umatilla House.

Dr. Darrin has an enviable rank in his profession as a wonderfully successful physician. He is essentially original in his method of practice, and those who have been under his treatment are surprised at the newness and novelty of his system of practice by electricity. His honest and straightforward advice before taking a case has won for him the confidence of his patients as well as the general public. The doctor is a gentleman of genial social nature, and his private practice is marked by the formation of a personal friendship with those with whom he comes in professional contact. He is without doubt one of the most thoroughly qualified physicians now before the public, as his wonderful cures can testify.
