NO 147.

THESE WANT SILVER

Georgia State Democratic Convention Assembles.

STATE TICKET RE-NOMINATED

California's Main Feature Is a Free-Coinage Declaration—North Carolina Democrats.

MACON, Ga., June 25.—The Democratic state convention was called to order at 12 o'clock by Chairman Steve Clay. J. W. Wilson was made temporary chairman and Chairman Clay, of the state executive committee, permanent chairman.

The platform declares for the free, unlimited and independent coinage of silver at 16 to 1.

NORTH CAROLINA DEMOCRATS.

After Organizing Temporarily They Take a Recess.

RALEIGH, N. C., June 25.—The Democratic state convention was called to order by State Chairman Pan. Theodore Klutz was chosen temporary chairman and made a speech. The convention took a recess until 2:30.

Silver Men Convene.

They Wax Enthusiastic at Mention of Teller's Name.

DENVER, June 25.—The state silver convention was called to order at 11:15 a. m. by I. N. Stevens, member of the national silver committee. There were 710 delegates.

Prayer was offered by Rev. Thomas Uzzell, who asked a blessing "on this convention, on the coming silver convention at St. Louis, and especially on the convention that is to meet at Chicago." Stevens congratulated the counties on sending to Denver delegates to the meeting "at which there was no pie counter in sight." He expressed the hope that the Chicago convention would nominate a man whose position on silver was unequivocal, and suggested Teller as an ideal candidate. Mention of Teller set the convention wild and the enthusiasm continued over the names of Sibley, Bland, Blackburn, Morgan and the Southern free silver senators. The convention selected H. A. W. Tabor temporary chairman. After appointing committees the convention took a recess until 2 o'clock. The convention will send Teller delegates to St. Louis.

By a Large Majority.

INDIANAPOLIS, June 22.—At the Indiana state convention yesterday Hon. Ben Shively, of St. Joseph county, who was nominated for governor, received 1634 out of 1744 votes. Ex-Congressman Cooper, the candidate of the gold-standard men, received the remaining 110 votes.

What Teller Says.

WASHINGTON, June 25.—Senator Teller, before leaving here for home today, expressed the opinion that Teller will not be nominated by the Democrats, and declared that the Populists should nominate an independent ticket.

They Will Support McKinley.

CANTON, O., June 25.—Governor McKinley is daily receiving assurances from Colorado and other Western states, of the hearty support at the polls, and assurances that there is no disaffection in that territory on account of the financial plank.

CANADIAN ELECTIONS.

Tupper Government Has Been Put to Rout—Result a Surprise.

WINNIPEG, June 25.—The defeat of the Tupper government, whose platform was the re-establishment of Catholic parochial schools in Manitoba, has come. The wildest enthusiasm prevailed in western Canada, and no such wild scenes have ever been witnessed

here. While the liberals were sanguine of electing sufficient members of the Dominion parliament to block the government school measure, they never dared to hope to completely oust the Tupper government as they have done. The liberals, for the first time in nearly twenty years, have won and are overjoyed at Laurier's success, while conservatives, to whom the disaster was altogether unexpected, are in a dazed condition.

The liberal organ now emphatically declares that Manitoba's national school system is absolutely safe from interference. However, conservatives are quite as positive that now that Laurier, who is a Frenchman and a Roman Catholic, has come into power, he will demand that Catholic schools be restored. There will be a great deal of anxiety until it is discovered what Laurier's policy in this respect will be. All are agreed, however, that one of his first moves will be to treat with Washington for reciprocity of trade between Canada and the states, and the result of the liberal victory in Canada will be fraught with the most important results to the business interests of Uncle Sam.

CORBETT STEPS DOWN.

The Pugilistic Champion Almost Whipped by Sharkey.

SAN FRANCISCO, June 25.—Champion Corbett climbed down last night from his pedestal of pugilistic greatness and at the same time husky Tom Sharkey, who was eight months ago a mere blue jacket, mounted to the top notch in the sporting calendar.

Ten thousand people saw the sailor give and take blows with Corbett for 12 minutes and at the end of the fight they saw an undefeated world's champion hanging around his opponent's neck, weak, listless, panting and leaning against the ropes to prevent himself from falling. As it was, the fight was declared a draw. Had it lasted a few rounds more there might have been a different story to tell—a story that would make pugilistic history. There are those in San Francisco today—and their number is legion—who say that 12 more minutes of fighting last night would have made a new world's champion.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a costive habit of body prevails.

SICK HEADACHE! This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS LIVER REGULATOR OR MENTHA.
