

OVERWORK -INDUCED- Nervous Prostration

Compleat Recovery by the Use of
Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once, and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless today had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much." - H. O. HENSON, Postmaster and Planter, Knard's, S. C.
