PLATFORM MAKING

Gov. Hogg Argues Against Protection.

TWO GOLD DELEGATIONS UNSEATED

Hill Asked to Speak, but Was Too Much Disgusted to Attempt to Respond.

CHICAGO, July 8, 11:30 a. m.—The business of the day is platform making. The tariff plank was vigorously argued by Gov. Hogg, who denounced protection as being only in the interest of the wealthy and against the farmer and working man.

11:35 a. m.—A minority report is being prepared by some of the credentials committee, protesting against unseating the Michigan and Nebraska gold men.

11:37 a. m.—Gov. Hogg, continuing his remarks, said a Republican corruption fund was being formed for carrying Illinois, Ohio and other states.

11:40—Monroe of Mississippi moves that Blackburn of Kentucky be requested to address the convention [cheering]. Motion carried. Blackburn responds and says: "The majority of the people are looking at this convention in the wrong light. The people want free silver. Christ drove from the temple a better set of men than those who have given us our money laws for many years." [Cheering.] Hill was called for, but would not respond.

12:36 p. m.—Altgeld advocates bimetalism. [Loudly applauded.] Convention adjourned till 5 p. m.

THE PLATFORM.

CHICAGO, July 7.—The following will be presented to the convention as the money plank of the platform.

We, the Democrats of the United States, in national convention assembled, do reaffirm our allegiance to those great essential principles of justice and liberty upon which our institutions are founded, and which the Democratic party has maintained from Jefferson's time to our own—freedom of speech, freedom of the press, freedom of conscience, the preservation of personal rights, the equality of all citizens before the law, and the faithful observance of constitutional limitations.

Recognizing that the money question is paramount to all others at this time, we invite attention to the fact that the federal constitution names silver and gold together as the money metals of the United States, and that the first coinage law passed by congress under the constitution made the silver dollar the unit of value and admitted gold to the free coinage, at a ratio measured by the silver-dollar unit.

We declare that the act of 1873 demonetizing silver without the knowledge or approval of the American people has resulted in the appreciation of gold and a corresponding fall in the prices of commodities produced by the people; a heavy increase in the burden of taxation, and of all debts, public and private; the enrichment of the money-lending classes at home and abroad; paralysis of industries and impoverishment of the people.

We are unalterably opposed to the single gold standard, which has locked fast the prosperity of an industrious people in the paralysis of hard times. Gold mono-metalism is a British policy, founded upon British greed for gain and power, and its general adoption has brought other nations into financial servitude to London. It is not only an un-American, but anti-American, and it can be fastened upon the United States only by the stifling of that indomitable spirit and love of liberty which proclaimed our political independence in 1776 and won it in the war of the Revolution.

We demand the immediate restoration of the free and unlimited coinage of gold and silver at the present legal ratio of 16 to 1, without waiting for the aid or consent of any other nation. We demand that the standard silver dollar shall be a full legal tender, equally with

gold, for all debts, public and private, and we favor such legislation as will prevent the demonetization of any kind of legal-tender money by private contract.

We are opposed to the policy and practice of surrendering to the holders of the obligations of the United States the option reserved by law to the government of redeeming such obligations in either silver coin or gold coin.

We are opposed to the issuing of interest-bearing bonds of the United States in time of peace, and condemn the trafficking with banking syndicates, which, in exchange for bonds at an enormous profit to themselves, supply the federal treasury with gold to maintain the policy of gold mono-metalism.

Congress alone has the power to coin and issue money, and President Jackson declared that this power could not be delegated to corporations or individuals. We, therefore, demand that the power to issue notes be taken from the banks, and that all paper shall be issued directly by the treasury department.

Bland is a Methodist.

CHICAGO, July 7.—Bland in reply to inquiries, telegraphed: "Religion is not the issue. I am a Methodist. Have always been one. Always will be. If I was half as good a Catholic as my wife, I would not worry about getting to heaven. This is the sentiment I expressed in a previous emergency when her religion was criticized. I stand by it now."

Allen W. Thurman this morning sent the following telegram to Bland: "The report that I started the attack upon you on account of your wife's religion is absolutely untrue. What I said was in reply to a question by others, and many things are now put into my mouth which I never thought of, much less said. Your letter when a candidate for congress on the subject expressed precisely word for word my sentiments and convictions."

THE PRIZE BABY OF KANSAS CITY MO.

Cured of Disfiguring ECZEMA By the CUTICURA REMEDIES

Our little baby of two months was badly afflicted with Eczema. It began when she was three weeks old, and in spite of all our skill and that of two good physicians, she continued to grow worse. Her head, arms, neck, and limbs, and, in fact, nearly every joint in her body, were raw and bleeding when we concluded to try CUTICURA REMEDIES. The child being so small and delicate, we began with CUTICURA (ointment), and CUTICURA SOAP, according to directions, and after the first application we could see a change. When we had used the remedies one week she was very much better, some of the sores had healed entirely and had ceased to spread. After using them for less than a month, the eruption of a silver cup, as the prettiest baby, over sixteen others. We recommend CUTICURA REMEDIES to all our friends, and cannot praise them too highly.

INDEPENDENT SILVERITES.

New Movement Inaugurated at Chicago Yesterday.

CHICAGO, July 7.—An independent silver movement was inaugurated last night at a conference of the Rocky mountain states held in the Colorado headquarters in the Palmer house. Nevada, Wyoming, Montana, Colorado, Idaho, Utah, New Mexico, Oklahoma and Arizona were represented. No permanent organization was effected, although R. W. Speer, of Colorado, acted as secretary. Some informal discussion of the candidates was indulged in, after which it was decided to attend the silver caucus and insist that all territories be allowed six delegates each; which they had been invited to send to the convention. The Rocky mountain states, as a result of the conference will, it is said, undoubtedly vote as a unit in all meetings of the silver caucuses.

YALE IS DEFEATED.

Leander Wins the Race at Henley Yesterday.

HENLEY-ON-THAMES, July 7.—Yale was defeated, but not disgraced, today in the third heat of the Grand Challenge cup. Leander won by one and three-fourths lengths in 7 minutes 14 seconds. The record is 6 minutes 51 seconds. Before the race Bob Cook said that with conditions as they were there was not the slightest advantage in either Bucks or Berks station, and it was a perfectly fair course. He expressed the belief that Leander would win by a length.
