Nervous Prostration

Complete Recovery by the Use of

Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much." - H. O. HIXSON, Postmaster and Planter, Kinard's, S. C.

Mosier Items.

MOSIER, July 7, 1896.

EDITOR CHRONICLE: Mr. M. Harlan and family of The Dalles spent the Fourth in Mosier.

J. Northrup and wife went to Hood River on Saturday, returning in the evening.

Among quite a number of strangers attending the ball on the evening of the 4th we noted Mr. A. A. Urquhart of our city.

Our farmers are busy harvesting their hay crop. The cereal and vegetable crops are looking fine.

Fruit, with the exception of peaches, prunes and kindred varieties which were injured by the late frosts, promises a big yield and fine quality.

The man with the trained monkeys and rats gave an exhibition here on Saturday to the amusement of the little folks.

Wonder if Judge Davenport has found out the name of the new steamer he saw on the river the other day.

The celebration here was well attended by Mosierites and quite a number from other points. The Declaration of Independence was read in a masterly manner by J. M. Carroll. The orator of the day, W. A. Stark, not being present, Judge Harlan was called on and responded with a very fine impromptu speech. Sack and foot racing filled up the time until dinner was announced, when everyone indulged in the good things that only the ladies of Mosier know how to provide. Master Fred Graham was the victor in the ring riding contest. The ball game was won by the Athletics in a score of 38 to 10.

The ball at Mr. Harlan's in the evening was a superb affair. The platform, constructed for the occasion, was fine. Roofed and enclosed with evergreen boughs rendered it a very pleasant place to trip the light fantastic. The music rendered by the Mosier string band was all that the most exacting could ask for. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

It's an old saying "The proof of the pudding is in the eating of it." And it is because people have taken Simmons Liver Regulator that they know it to be a most excellent medicine and especially for the Spring and Fall when there is so much Malaria in the air. Mr. W. T. Lee, of Pendleton, N. C. says, "I have used Simmons Liver Regulator for twenty years, in place of calomel and quinine."
