THE DALLES, OREGON, SATURDAY, JULY 11, 1896

NO 161.

IT FALLS TO SEWELL

The Maine Man for Vice-President.

ELECTED ON THE FIFTH BALLOT

The Choice Would Have Been Bland But He Withdrew His Name.

CHICAGO, July 11.—A caucus of the delegates adjourned at 2:30 o'clock this morning without naming a candidate for vice-president. The convention was called to order at 11 a. m. Harrity of Pennsylvania announces that a meeting of the National Committee would be held at 3 p. m. Very few gold delegates are present today. McLean of Ohio, Judge Walter Clarke of North Carolina, Geo. W. Fithian of Illinois, Penoyer of Oregon, Arthur Sewell of Maine, Joseph G. Sibley of Pennsylvania and Daniels of Virginia were nominated as candidates for vice-president. The nomination of Daniels was productive of the greatest cheering. Daniels, McLean and Fithian withdrew their names.

The result of the first ballot was: Williams, of Massachusetts, 76; McLean, 111; Lewis, 11; Clarke, 50; Fithian, 1; Sewell, 108; Sibley, 161; Daniels, 11; Boies, 16; Williams, of Illinois, 22; Harrity, 11; Bland, 62; Blackburn, 20; Teller, 1; Pattison, 2; White, 1; not voting, 230.

12:30—A second ballot was ordered. Alabama casts her 22 votes for Bland. (Cheers.) The result of the second ballot was as follows: Williams, of Massachusetts, 16; McLean, 164; Clark, 22; Sewell, 37; Sibley, 116; Williams, of Illinois, 111; Bland, 286; Pattison, 1; not voting, 227.

The third ballot was then taken. Previously Amos Cumming read a telegram from Sibley which withdrew his name from the contest. However he got 50 votes. The result was Williams of Massachusetts, 15; McLean, 210; Clarke, 22; Sewell, 97; Sibley of Pennsylvania, 50; Daniels, 6; Harrity, 19; Bland, 255; Pattison, 1; not voting 257; necessary to choice 449. A telegram was received from Bland saying it would be unwise to nominate two candidates from the West, and he therefore withdrew his name. This gave Sewell almost a sufficient number of votes for a nomination, the fifth ballot resulting Sewall 430, being short only twenty-five votes. A motion then carried that Sewell receive the unanimous nomination. Cheering occurred all over the hall, the time being 1:35, when the convention adjourned sine die.

How it Looks in England.
LONDON, July 10.—The Chronicle says: "The Chicago convention has justified the expectations of its worst enemies. Nobody could have foreseen such a speedy and open voicing of the enmity of the West and the South against the East. The financial condition of Argentina and of Greece is a paradise compared with what would be the condition of the United States should the free-silver party come into office. If so colossal a catastrophe as the election of a silver president should occur, America would be brought face to face with financial panic and commercial ruin and with a second civil war."

Notice to Water Consumers.
You are hereby notified that the irrigating rules will be strictly enforced from now on. If you wake up and find the water shut off don't kick at me, as I have to enforce the law to protect your property.

REPUDIATED BY THE SUN.

The Greatest Democratic Daily is Out for McKinley.

NEW YORK, July 10.—The Sun in the following editorial formally repudiates the national Democratic platform, and supports McKinley for the presidency: "Southern poverty, engendered by the war, and the common discontent stirred up to recklessness by the agitation of the last twelve years, have at last blazed into a demand for a debased coinage and a tax on wealth, and have carried the national Democratic convention. The Chicago platform cannot be accepted. The United States was made Democratic and it must remain so. Free-silver coinage would be national dishonor and a monumental anachronism. Silver has had its day as the money standard. The silver campaign is based on delusions which have no justification and on statements which are not true. It cannot prevail, and every sincere believer in fair dealing in business as the foundation of commercial prosperity must put aside all other purposes and unite for its defeat.

"From now until the night of election day in November the presidential candidate of every Democrat who favors honest money, and who still hopes to crush the enemies of the fundamental principles he was bred in, should be, without hesitation, evasion or prejudice, William McKinley."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

CUBANS DEFEATED

They Become Aggressive and Are Repulsed.

THIRTY-ONE MEN WERE KILLED

General Antonio Maceo is Reported as Being Dead—But the Dispatch is Dated Havana.

HAVANA, July 10.—Rebels hovering in the districts just beyond Guanabacoa, are more active. Recently they fired upon various government posts in the outskirts of the city, the Spanish garrisons in Santa Maria and other forts responding with desultory firing. For half an hour there was great excitement. The insurgents finally retreated, carrying their wounded with them. The attacking parties displayed such poor marksmanship that they neither killed nor wounded any member of the garrison in the outposts defending the city.

From Pinar del Rio, General Bernal officially reports having sustained, near Main and De Benaies, for two and a half hours, a combat with various insurgent bands entrenched in strong positions in the vicinity. In view of their tenacious resistance against repeated Spanish charges, Bernal personally led the last and successful attack, the artillery co-operating with good effect. The rebel camps at Baani and Blanco were taken by storm and a great quantity of munitions captured.

Bernal had only 600 men and the insurgents had over 1600 men, commanded by Ramon Lazox. It is reported that the latter was seriously wounded in the fight. The Spanish loss is given at 11 killed and wounded.

The rebels in their flight left 31 dead on the field. The peasant families in the vicinity, said they also had many wounded.

Maceo Reported Dead.
HAVANA, July 10.—Merchants of Pinar del Rio, who arrived here last night, state that Antonio Maceo, the insurgent leader, died of wounds received in his last engagement with the Spanish troops.
