ARE STILL FOR TELLER

St. Louis Populists Opposed to Indorsing Bryan.

SAY THERE MAY BE A HARD FIGHT

Henry Watterson Repudiates the Democratic Platform and Calls Its Candidate a Hethead.

St. Louis, July 12.—The impression seems to be strong among local Populists that if the Democratic ticket named at Chicago is indorsed by the Populist national convention on the 22nd inst., it will only be after a hard fight. "Teller is still our man," said a well-known Populist, and a silver party man, "and watch what I tell you; we will nominate him. We figure it is best for the silver cause to nominate Teller. He can carry the silver Republican states and can secure more electoral votes than Bryan. Bryan will carry the silver Democratic states, and between Teller and Bryan we count on securing enough electoral votes to prevent McKinley's election. If this can be done, the electoral votes for silver will hold together, and will elect Teller or Bryan for president. This is the latest plan of the Populists."

BLAND DOES NOT WANT IT.

Declines to Be a Candidate for Governor.

LEBANON, Mo., July 12.—In their disappointment over the defeat of Bland for the presidential nomination, many Missouri Democrats have turned to Bland to lead the party in Missouri this fall as the candidate for governor. He has received many telegrams and letters the past few days urging him to be a candidate. These earnest requests and solicitations have not moved him, and will not change his course. He made up his mind several years ago, that he did not

want to be governor, preferring to continue his fight in congress for the people of the entire country. He said tonight that he would not be a candidate for governor; that he did not want the nomination, and under no circumstances would he enter the gubernatorial race. He made this statement in the most positive and emphatic manner, leaving no doubt that he meant it, and further efforts on the part of his friends to induce him to become a candidate for governor would be useless. In this connection, Bland said he was a candidate for congress in this, his old district. He desires to go back to congress to make the fight for free silver in the house.

Henry Watterson Speaks.

LOUISVILLE, Ky., July 11.—The Courier-Journal says:

"The leagues of the free silver men have accomplished their purpose. They have put forth in the Democratic name a platform which violates almost every cardinal Democratic tenet and have nominated as a Democratic leader a young hot head who but recently abandoned the Democratic for the Populist party.

Such foolhardy and bastard leadership and such a radical revolution of every life principle of Democracy will be downed by those Democrats whose subserviency to party form is not dictated by a desire to share in the official spoils of the party success.

Where Bryan Will Be Notified.

CHICAGO, July 11.—In Madison Square Garden, New York, early in August, Bryan will be formally apprised of the action of the convention. There, at the same time and place, Sewell will be notified of his nomination for vice president. This matter was decided by the notification committee this evening. This action was taken at the request of Bryan, who thought it would be nice to open the fight in the heart of the enemy's country.

The committee organized by electing Senator White, of California, chairman.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENKY & Co., Toledo, O. Sold by Druggists, 75 cents.
