

**NOT A SICK DAY  
For Over Thirty Years!**  
RESULT OF USING  
**AYER'S PILLS**

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WETTSKIN, BYRON, Ill.

Protection of Timber and Other Property From Fire.

The following proclamation was received by Sheriff Driver, who says that he shall make special effort to enforce the law:

WHEREAS, An Act passed by the Legislative Assembly of the State of Oregon at its seventeenth regular session, entitled, "An Act to Protect Timber and Other Property from Fire," contains the following:

SECTION 1. If any person shall maliciously, with intent to injure any other person, by himself or any other person, kindle a fire on his own land or the land of any other person, and by means of such fire the buildings, fences, crops, or other personal property or wooded timberlands of any other person shall be destroyed or injured, he shall, on conviction, be punished by a fine of not less than \$20 nor more than \$1000, or by imprisonment in the county jail not less than three months nor more than twelve months, according to the aggravation of the offense.

Sec. 2. If any person shall without malice kindle any fire in any field, pasture, enclosure, forest, prairie or timber land not his own, without the consent of the owner, and the same shall spread and do damage to any buildings, fences, crops, cordwood, bark, or other personal property not his own, or to any wood or timber land not his own, he shall on conviction be punished by a fine of not less than \$10 nor more than \$100 and costs, according to the aggravation of the offense, and shall stand committed until the fine and costs are paid.

Sec. 3. Any person who shall enter on the lands of another person for the purpose of hunting and fishing, and shall, without the consent of the owner of said lands, kindle any fire thereon, shall be punished by a fine of not less than \$10 nor more than \$100, and if such fire be kindled maliciously, and with the intent to injure any other person, such offender shall be punished by a fine of not less than \$20 nor more than \$250, or by imprisonment in the county jail not less than three months nor more than twelve months.

Sec. 4. Any person or persons who shall willfully set fire to any wooded country or forest belonging to the State or the United States, or any person or persons, shall be deemed guilty of a misdemeanor, and upon conviction before a court of competent jurisdiction, shall be punished by a fine not exceeding one thousand dollars, or imprisonment not exceeding one year, or by both such fine and imprisonment; provided, that nothing herein contained shall apply to any person who in good faith sets a back fire to prevent the extension of a fire already burning.

Sec. 5. Upon any prosecution under this act, one half of the fine imposed shall be paid to the person who first gives information thereof to the district attorney for the district in which the offense is committed, and the other moiety shall be paid into the county treasury

for the benefit of the common school fund of the county in which said fine is collected.

Sec. 6. It is hereby made the duty of the governor of this state to issue a proclamation on the first day of July of each year, calling public attention to the provisions of this act and warning all persons against violating the same. It is also the duty of each circuit judge of this state to read the provisions of this act to each grand jury when charging them as to their duties.

Now, therefore, I, Wm. P. Lord, governor of the state of Oregon, do hereby direct the attention of the public to the crimes and misdemeanors declared in this act, with the penalties prescribed, and warn all persons to abstain from violating all or any of its provisions.

Done at the capitol, in Salem, Oregon, this first day of July, in the year of our Lord one thousand eight hundred and ninety-six.

By the governor: Wm. P. LORD,  
H. R. KINCAID, Governor.  
Secretary of State.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
