THE CAMPAIGN IS ON

Republicans Will Begin Active Work This Week.

ALL PRELIMINARIES SETTLED

Perkins Chosen for Assistant Secretary of the National League—Payne Expected at Chicago.

CHICAGO, July 27.—It is practically settled that S. A. Perkins, chairman of the executive committee of the American Republican College League, and member of the executive committee of the National League, will be given the place of first assistant secretary under Secretary Osborne, of the national Republican campaign committee, with headquarters at New York.

There were no signs of life about the National Republican Headquarters Sunday, everything being closed tight, in accordance with the instructions of Chairman Hanna. A man was sent to the headquarters early in the day to get the private mail of Mr. Heath and some of the members of his staff, but with this exception, no one entered the rooms during the day.

This week will witness the beginning of severe campaign work. The work thus far has been of a preliminary character, arranging the forces of the different departments and outlining the matters to be covered in the near future. H. C. Payne is expected to reach here today and there will be a meeting of the committee the latter part of the week, after Mr. Hanna's return from New York.

Populists Who Will Stump for Silver.

St. Louis, July 27.—Among the speakers who will take the stump for the Populist ticket will be Senator Butler and ex-Chairman Taubeneck, E. V. Debs, Robert Schilling, of Milwaukee; Senator Allen, of Nebraska; Senator Peffer; Mrs. Roberts, of Georgia, and many others, including Coxe and Carl Brown.

Mr. Debs is a strong supporter of the initiative and referendum. The currency will be the pivot around which the majority of the speeches will revolve and the women that will be sent out will make that their especial point of attack.

Mrs. Roberts made a speech in the convention seconding the nomination of Bryan, and, in the five minutes that she was before the convention, won for herself the reputation of being one of the most forcible and logical speakers that has ever addressed a Populist gathering.

"Cyclone" Davis was discussing the outcome of the convention with a party of friends in the Lindell corridors yesterday. He said:

"There were a thousand men in that convention who differed with me, and there could have been but one result—the selecting of Bryan. It was a case of either making them believe they were wrong and myself and my little band of 250 were right or give up. We had to give up, of course. We were not all statesmen, and the thousand on the other side were neither fools nor traitors. We concluded they were right."

LONDON GLOBE'S COMMENT.

British Interests Will Suffer However the Election Goes.

LONDON, July 27.—The Globe this afternoon publishes a long article headed "American Communism," concluding as follows:

"There is a clear issue between the gold standard allied to extreme protection and free coinage coupled with confiscatory socialism. Whether McKinley or Bryan is elected, British interests are bound to suffer. While the victory of McKinley is certain to harass our trade with the United States, that of Bryan could not fail to produce a financial convulsion which might shake the Old World to its very foundation."

William Henry Smith Dead.

CHICAGO, July 27.—William Henry Smith, late general manager of the Associated Press, died at Lake Forest, Ill., this morning. He had been sick for several days of pneumonia.

There's no clay, flour, starch or other worthless filling in "Hoe Cake" and no free alkali to burn the hands. jly24-ll

ENGLISH BANKERS' VIEWS.

Effects in America of a Free-Silver Law.

LONDON, July 27.—The Daily News has an interview with Mr. Joseph Herbert Tritton, a banker of the firm of Barclay, Bevan, Tritton, Ransom, Bonverie & Company, in which he is quoted as saying:

"Passage of a free-silver bill would cause a rise in prices, and would glut America with silver from the Eastern countries, causing a complete dislocation of the entire basis of exchange between East and West. It would also cause the hoarding and disappearance of gold from circulation. Gold would go to a premium. There would be a disappearance of foreign capital, causing a severe panic and general commercial ruin.

"The first cure for American financial distress must be the contraction of their paper issues, both bank notes and treasury issues. If Mr. Bryan wins, international bimetalists will see an opportunity. But it is very doubtful if they will be able to seize it. The history of the Latin Union has conclusively shown that any international bimetallic union must collapse through its own weight."

THE GOLD RESERVE.

Eastern Bankers Deposited Over a Million Dollars Yesterday.

WASHINGTON, July 27.—The bankers are making good their promises in the matter of turning in gold to the treasury, and today the reserve was swelled by the addition of \$1,145,000 in coin, \$400,000 coming from Boston, \$250,000 from Chicago and \$495,000 from New York. There was drawn out today \$129,100 in coin and some in gold bars, leaving the reserve at the close of business standing at \$105,073,919. The available cash balance amounted to \$262,016,560.

Donnelly's Candid Statement.

MINNEAPOLIS, July 27.—Ignatius Donnelly returned home today from St. Louis. In the next issue of his paper, the Representative, Mr. Donnelly will say:

"We have done well. We shall support Mr. Bryan and the Populist ticket until the end of the campaign, and we shall then withdraw from public life for

ever. We are tired of working for those who would destroy us."

In speaking of Bryan's nomination, he says there were so many men at St. Louis who were candidates for office and who hoped for Democratic indorsements in their respective districts, that they swept the convention to Bryan. He adds that Bryan is talking too much and is standing over a powder magazine.

TO WITHDRAW BRYAN.

Considered at a Conference Between Jones and Stone.

JEFFERSON CITY, Mo., July 27.—Chairman Jones, of the Democratic national committee, arrived today, and called on Governor Stone. They were in conference some hours, and it is said they considered the matter of withdrawing Bryan's name from the Populist ticket.

Major T. O. Towles, of this city, secretary of the national bimetallic league, and who was closely allied with Governor Stone and Senator Jones in their fight for Bryan during the St. Louis convention, met Senator Jones in Kansas City and accompanied him to Jefferson City. Governor Stone met them at the depot with his carriage. Major Towles would not talk tonight about the interview.

When Governor Stone was seen to-night, he positively declined to be interviewed about his conference with the national committee chairman, further than to say there was nothing for the press in the interview. After the conference, Jones took the train for St. Louis.

Horatio King Writes to McKinley.

WEST NEWTON, Mass., July 27.—Hon. Horatio King, ex-postmaster-general, whose official life at Washington covered time from 1837 to 1861, has sent a letter to Hon. William McKinley, in which he says:

"The danger now threatening the stability of the United States is most appalling. I earnestly entreat you to listen to the warning appeal of Hon. W. C. Whitney. It is your opportunity to place your name along with that of Lincoln, high on the roll of honor and fame. You can well afford to set aside for the time being all minor political questions, and lead off resolutely on a war against

the free-silver craze, Populists and anarchists."

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach." CARLOS MARTIN, D. D., New York City.
