HILL NOW FAVORS IT

Considers a Third Ticket a Necessity.

HIS COURSE FINALLY DECIDED

Will Actively Oppose the Bryan Ticket at Saratoga—The Nomination Suits Tammany.

NEW YORK, July 28.—Senator Hill is now in favor of a third ticket. This information comes direct from a personal friend of the senator, who is a prominent Democrat. The action of the Populist convention at St. Louis is what seems to have caused Hill to come to a decision as to his course. The position of the senator is thus outlined by the friend in question:

"Mr. Hill has been between two fires from both factions of the party for some time. He could not indorse the Chicago platform, nor could he advocate the election of any candidate who stood upon it. The St. Louis Populist convention only served to widen the breach between the sound money and silver wings of the party, making it impossible to bridge, as the Western Democrats had practically affiliated with the Populists in everything but name.

"You will find that when the Saratoga state convention meets Hill will be against the Bryan ticket. The New York senator is simply following in the footsteps of Flower, Whitney, Lamont and other eminent leaders in the Empire state."

Senator Hill himself continues non-committal, and the state committee, which meets at the Hoffman house today, will merely decide, it is said, to call the convention at Saratoga without indicating any line of policy.

All doubt as to Tammany's intentions concerning the Chicago ticket and platform has been set at rest by the issue of a call for a meeting of the executive committee Friday to arrange details for ratifying the ticket. This step was de-

ecided upon by Mr. Martin and John C. Sheehan in accordance with the expressed desire of 32 out of 35 district leaders of Tammany. Senator Hill and other leaders of the state organization have endeavored to induce Tammany to defer action until after the state convention, but the majority of the district leaders in the wigwag is opposed to any postponement and the ratification meeting to indorse the Chicago ticket will be held next week.

HONEST-MONEY DEMOCRATS. Fifteen States Will Send Delegates to the Convention.

INDIANAPOLIS, July 28.—Ex-Congressman Bynum, who is a member of the sub-committee of the sound-money Democrats, which is arranging for a national convention to nominate a sound-money ticket, said today that 15 states have already indicated that they will be represented at the meeting in this city August 7. There are a few Western states that will not be represented at the meeting, he says, because the time is too short. Bynum says Minnesota has already appointed delegates. Delegates have organized in several states, and Kansas has sent word that the state will be organized immediately.

EXPLOSION OF GIANT POWDER. Several Men Injured and Windows Smashed for Four Blocks.

VICTOR, Colo., July 28.—An explosion of fifty pounds of giant powder used for street work here, broke the windows for four blocks in the center of the town. Many people were cut by glass, but none were killed. The city will pay the damage, which amounts to \$5000.

The seriously injured are: Mike Ryan, will probably lose his eyesight; J. H. Holmes, breast and arm broken; Will Dahlinger, head and legs bruised.

Lost! Lost! On the morning of July 4th, between 5 and 8-Mile creeks, a tan-colored valise clothing and other valuables. A liberal reward will be paid on leaving the same at this office. jnl6-das-wlm

WATSON IS MODEST.

He Thinks His Candidacy Saved the Populist Party.

NEW YORK, July 28.—Thomas F. Watson, candidate for vice-president on the Populist ticket, in a telegram from Thomasop, Ga., says: "Our executive committee must decide the question of dividing the electors. If Bryan accepts our nomination and Sewall should retire, the Texan Populists would probably be content with Bryan and Watson, even though Bryan did not indorse all the platform.

"I was absolutely sincere when I said I would not accept either place on the Populist national ticket. I thought our party would have no difficulty in naming a straight-out Populist ticket, and I did not desire either place. I stayed away from the convention partly to avoid prominence, and the Georgia delegation had positive instructions not to allow the use of my name. After the convention met and the fusion strength developed, it seemed that our party would be swallowed up by the Bryan forces, and to have gone into the presidential campaign with no hope on the national ticket meant death to the People's party. The Georgia delegation then telegraphed me, urging me to allow the use of my name to harmonize the factions and save the party. I consented and will abide by the consequences. When I said I would not accept I did not dream that such a crisis could possibly come upon our party."

THE DURRANT CASE.

The Proceedings Have at Last Reached the Supreme Court.

SAN FRANCISCO, July 28.—The case of Theodore Durrant, convicted of murdering Blanche Lamont, went to the supreme court today. The whole of the long transcript of the appeal, numbering 2469 pages, and bound in three volumes, has been completed, signed by the trial judge, and is now ready for presentation before the supreme court. Argument for certificate of probable cause will probably be heard tomorrow before Chief Justice Beatty in chambers. This certificate is always granted when there is any legal cause susceptible of argument. Probable cause in appealed

cases means that appeal was not vexatious, but that cause for it was probable. There is not much doubt that a certificate of probable cause will be granted in this case, and the appeal will proceed smoothly. If everything goes promptly, allowing for the number of days the supreme court will grant for a hearing, the number of days allowed the trial judge for re-sentencing the criminal, and the farthest limit for the day of execution, Durrant has about four months more of life. This notorious criminal is now in the county jail, growing stout at his ease.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The cure of Rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for Indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—N. Hughes, Lordsburg, N. M.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
