BATTLE IN THE WEST

Republican Campaign Opened at Madison Today.

SENATOR THURSTON IS TO SPEAK

Fighting Will Be Fast and Furious From Now On—Chairman Hanna Is at Chicago.

CHICAGO, July 30.—Senator Thurston, of Nebraska, will open the Western campaign for the Republican ticket at Madison, Wis., tomorrow night. Somehow or other the impression got abroad that the campaign in the West would be opened by Major McKinley himself at Columbus, August 12.

Chairman Hahn, of the bureau of campaign speakers, came here on Monday. Every moment since his arrival he has been besieged by the leaders in the several states under the jurisdiction of the Western headquarters to turn his campaign orators loose at once. Mr. Hahn was not averse to fanning the fire of enthusiasm, and he began making assignments yesterday.

His first general order was a command to Senator Thurston to buckle on his armor and take to the field on Friday to remain fighting, too, by the way, until the eve of election. Thurston will go East to accept assignments from the New York headquarters, returning to the West September 1.

Roswell G. Horr will deliver six speeches in Nebraska, beginning with next week, and ten speeches in Minnesota, when he has completed his tour in Nebraska.

PROSPECT IN IOWA.

Republicans Can Carry That State by Hard Work.

DES MOINES, July 30.—Chairman McMillan, of the Republican state central committee, has closed a series of conferences with members of the state committee representing the various districts. He states that the outlook for Republi-

can success in Iowa is good, and that it is increasing daily, but a great deal of work will have to be done. The committee began at once to distribute literature, and not later than the 15th of August will put speakers in the field.

The congressional candidates are, many of them, already in the field, holding out-door meetings. The Democrats are also getting ready for their campaign, but they are compelled to await their state convention, August 12, before making final arrangements.

SOUND MONEY'S CAUSE.

Bankers of California Issue a Strong Appeal to the People.

SAN FRANCISCO, July 30.—The California Bankers' Association has issued a pamphlet on the financial question; as the members believe the currency issue is the vital issue of the presidential campaign. They take the position that the plank in the Democratic platform favoring the "free coinage of silver at the ratio of 16 to 1, without awaiting similar action by any other government," is a most dangerous one. They set forth that if the United States should alone attempt free coinage of silver at that ratio, gold would be hoarded to await a premium or shipped to foreign countries, and silver alone remain as a circulating medium. They also fear that capital would be driven away, credit paralyzed and enterprise crippled.

The pamphlet concludes:

"Convinced of the righteousness of our cause, and earnestly wishing to promote the general welfare, we unhesitatingly express our decided opinion that every vote against 'free coinage of silver at the ratio of 16 to 1' is a vote for the return of confidence and prosperity; for the benefit of all classes; for the protection of your families and homes, and, above all, for the preservation of your own and your country's honor."

WILL FIGHT FOR SOUND MONEY

Commercial Travelers of the Country Form an Organization.

CHICAGO, July 30.—The commercial travelers of the country are going to wage war against free silver. There are 120,000 of them in the United States, and of this number 98 per cent are said to be champions of McKinleyism. The

organization through which they will work is known as the National Executive Committee of Commercial Travelers of the United States. The chairman, G. C. Corey, is president of the Commercial McKinley Club, No. 1, of Chicago, which was organized June 15, 1892, the day Major McKinley was made permanent chairman of the national convention at Minneapolis.

The work mapped out by Mr. Corey and approved by the executive committee, will be to make this club the parent organization, and all traveling men will be invited to become a part of one of the greatest organizations for campaign work in the United States. Every traveling man's name will be entered on the list, and a membership card will be issued to him, showing that he is entitled to all its privileges.

DEVASTATED BY THE STORM.

Gloucester, a Small Ohio Town, Almost Totally Destroyed.

ATHENS, O., July 30.—The most destructive storm in the history of Sunday Creek valley occurred at Gloucester, a mining town twelve miles north of here last night, resulting in the almost total destruction of one of the principal thoroughfares of the town. The fury of the wind is indescribable. Buildings were toppled over, trees torn from their roots, and the town is a scene of desolation.

J. L. Dougherty was struck by a plank and instantly killed. Four other persons are reported dead, and several seriously injured. A livery stable with six horses, vehicles, etc., was blown into the creek and swept away. Nearly every building in the town is damaged. To add to the horror, Sunday creek is a sweeping, raging torrent. Several houses have been washed away, and two persons are reported drowned.

Later—Word has just been received that the list of dead will reach fifteen.

Lost! Lost!

On the morning of July 4th, between 5 and 8-Mile creeks, a tan-colored valise clothing and other valuables. A liberal reward will be paid on leaving the same at this office. jyl6-das-wlm

A HORRIBLE ACCIDENT.

Express Crashes Into Excursion Train Near Atlantic City.

ATLANTIC CITY, N. J., July 30.—A railroad accident, horrible in its details and sickening in its results, occurred this evening, just outside of this city, and as a result about 100 persons are either killed or injured.

The Reading railroad express, which left Philadelphia at 5:40 o'clock this evening for Atlantic City, crashed into a Pennsylvania railroad excursion train at the second signal tower, about four miles out from here.

The Pennsylvania train was returning to Bridgeton with a party of excursionists from that place, Milville and neighboring towns. It was loaded with passengers, and a rough estimate of the killed and injured at a late hour places the number at 100. It is hoped that this is an exaggeration, but the number is undoubtedly more than 50.

At the second signal tower, the tracks of the two roads diagonally cross. The Reading train was given the signal to stop, but the brakes either failed to work or the speed of the express was too great to be checked in time. It caught the excursion train broadside and ploughed through, literally cleaving it in twain. The engine of the Reading train was shattered to pieces. Every car on the excursion train was jammed to its fullest capacity.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The Daisy McCormick Reaper, the best on earth, is sold by John M. Filloon, East End, The Dalles, Or.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
