#### THE GOLD CONVENTION

#### The Four Different States Want It.

#### THE INDIANAPOLIS CONFERENCE

Thirty-one States Will Participate in  
the Meeting—Nineteen States  
Have Already Organized.

CHICAGO, Aug. 1.—The executive national committee of the gold-standard Democratic conference, which meets in Indianapolis Friday, having in charge the arrangements of the preliminaries for the conference, made an announcement today that 31 states will participate in that meeting. The announcement was made after going over the responses to the address recently issued as the result of the gathering at the Auditorium. Chicago is favored for the convention, but Detroit, Indianapolis and Minneapolis are candidates.

The executive committee, which met today, consisted of General Bragg, of Wisconsin; J. O. Broadhead, of Missouri; W. B. Haldeman, of Kentucky; H. S. Robbins, of Illinois, and W. D. Bynum, of Indiana. All the members of the committee were present. The committee met in the morning and remained in session until 1 o'clock. The address from 31 states, Mr. Bynum and Mr. Robbins reported, were such as to warrant the certainty that all of them would be represented at Indianapolis.

After canvassing in detail the correspondence, it was found that the gold-standard men of 19 states had already organized and named their committees to the Indianapolis conference. The committee thus far named is as follows:

Alabama—J. M. Faulkner, Montgomery.  
California—T. B. Pond, San Francisco.  
Illinois—John M. Palmer, Springfield.  
Indiana—John P. Wilson, Indian-

apolis.  
Kansas—Eugene Hagan, Topeka.  
Kentucky—Richard Tyler, Hickman.  
Massachusetts—Ex-Mayor Matthews, Boston.  
Minnesota—F. M. W. Kutcherson, St. Paul.  
Mississippi—Edgar S. Wilson, Jackson.  
Missouri—L. C. Krauthoff, Kansas City.  
Nebraska—Euclid Martin, Omaha.  
New Hampshire—Gordon Woodbury, Manchester.  
New York—Charles Tracy, Albany; alternate, George Foster Peabody, Brooklyn.  
Oregon—C. E. S. Wood, Portland.  
Pennsylvania—F. C. Bullitt, Philadelphia.  
South Carolina—T. F. Tolley, Anderson.  
Washington—Thomas Burke, Seattle.  
West Virginia—H. S. Sims, Huntington.  
Wisconsin—Ellis B. Asher, Lacrosse.

In the following states, the committee was informed the gold-standard men had organized and called a conference to appoint representatives from their states for the Indianapolis conference on the 7th:

Connecticut, Florida, Iowa, Maine, Maryland, Michigan, Ohio, Rhode Island, Texas, Vermont, Tennessee and Virginia.

The committee was also advised that in the following states steps are being taken which will result in the naming of committeemen:

Colorado, Montana, North Dakota, New Jersey and South Dakota.  
Two territories, New Mexico and Oklahoma, placed themselves in communication with the committee, and desired to be represented at Indianapolis.

'Cyclone' Davis for Congress.  
TEXARKANA, Ark., Aug. 1.—'Cyclone' Davis, the People's party leader, was today nominated for congress by the Populists for the fourth district, to succeed D. B. Culbertson.

**DECEIVED BY DEMOCRATS.**  
Populist Peck Says Sewall Must Be Withdrawn.

ATLANTA, Ga., Aug. 1.—W. B. Peck, who ran for governor on the Populist ticket in 1892, and headed the Georgia delegation to the St. Louis convention, made the following statement to the Atlanta Journal today:

"It was understood with the Democrats that if the Populists would nominate Bryan for the presidency and a Southern Populist for the vice-president, that Sewall would retire from the race, or in other words, he (Sewall) would be taken down and our candidate for vice-president would be put on the ticket with Bryan.

"With this understanding Watson was unanimously nominated. Every state in the union supported him except South Carolina, and it was not represented. This was the broad ground on which the Democrats and Populists met.

"Having been deceived by promises, we made it a certainty on our part, and reversed the order of business, and nominated the vice-president first.

"Senator Jones, chairman of the national Democratic committee, was there, together with many prominent Democrats from different parts of the United States, urging this course for the success of financial reform. We did not endorse Bryan, but made our platform and nominated him then for president by over a two-thirds vote. Mr. Watson was nominated with as long and loud outbursts of enthusiasm as was Mr. Bryan, and I beg leave to say now that there is but one course to pursue if good faith is to govern this union of the silver forces, viz: Watson electors must be put up by the Democratic party from Maine to California. It would be a lack of fidelity to ask or to do otherwise in the South; yea, in Georgia it would be an unpardonable sin and unfaithfulness on the part of the Democratic party, and the people will hold them responsible for the result.

(Signed) WILLIAM L. PECK.

Children Killed by a Hog.  
FAYETTEVILLE, Ark., Aug. 1.—In Benton county, Mrs. Mary Smith, wife of a farmer, became alarmed at the absence of her 10-year-old daughter and started

out to search for her, leaving her other children, infant twins and a boy aged 4 playing in the yard. During her absence a vicious hog attacked the twins and killed them. The little boy tried to run the swine away, and was fatally bitten.

**WOULD NOT DENY IT.**  
Bryan Had Nothing to Say About Senator Thurston's Charges.

LINCOLN, Aug. 1.—When asked today for a statement concerning the reiterated charge of Senator Thurston in his recent speech to the effect that he was in the pay of mine-owners, Bryan declined to authorize a denial, saying that the denial will be made at the proper time, and that denials of the statement have heretofore been made.

Referring to his proposed trip East, Bryan said today that he may conclude to slightly change his route from here to Chicago, as a strong pressure is being brought to bear to induce him to visit some cities not on the Burlington line. The dispatches have announced that the free-silver people of Des Moines, Ia., have expected him to come that way on the partial assurance he had given and have made preparations to recognize his visit. This undoubtedly is why he is reconsidering the route of his projected visit.

It was given out at the Bryan home this evening that Hon. R. P. Bland of Missouri will arrive in Lincoln next Friday and will accompany Mr. and Mrs. Bryan on their trip to New York.

There is nothing that causes women greater discomfort and misery than the constant recurring Headache. Men suffer less with Headache. "My wife's health was very indifferent, having Headache continually, and just two packages of Simmons Liver Regulator released her from all Headache and gave tone and vigor to her whole system. I have never regretted its use."—M. B. DeBord, Mt. Vernon, Ky.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:
