

CANCER CURED
—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

Ayer's Pills Regulate the Liver

An Excellent Choice.

A Salem exchange says: "We are glad to learn that Mr. M. W. Smith, of this city, has received the appointment of principal of the schools in the city of Grass Valley, California. Mr. Smith has occupied a similar position on several occasions, and always to the complete satisfaction of both pupils and parents. At one time Mr. Smith was at the head of our reform school, and left it much to the regret of the public and the sorrow of the boys under his care. Mr. Smith carries with him testimonials from some of the best educationalists in this country, from such men as Prof. Lewis, McLouth, of Ypsilanti, Michigan; B. F. Hood, superintendent of schools in Aberdeen, South Dakota; W. H. H. Beadle, now principal of the state normal school of South Dakota; Hon. G. M. Irwin, state superintendent of public instruction for Oregon, and from many other eminent persons. To our certain personal knowledge we can truthfully say that Mr. Smith has been a favorite wherever he has been engaged in school work. The school directors of Grass Valley made a wise choice when they selected Mr. Smith, for he will undoubtedly make their school one of the best in the state. Mr. Smith carries with him the good wishes of this entire community."

Mr. Smith was formerly principal of The Dalles public schools, and our people can endorse everything stated in the above article.

Silver Wages in Mexico.

Albuquerque, N. M., Citizen.
The railroad employees of this territory have a pretty good idea of what wages are in Mexico, where the railroad men are paid in silver. They get the same wages in Mexico as in this country, but the money is worth only about half as much. If the free-coinage proposition carries, the United States will be placed on exactly the same monetary basis as Mexico, and, with a debased money, laboring men will be the first and principal sufferers. The rich men of Mexico have grown richer by the free coinage of silver.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The cure of Rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons' Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for Indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—N. Hughes, Lordsburg, N. M.
