The Failure Cauuses a Great Flurry in Commercial Circles--New York Biscuit Co. Also Involved.

New York. Aug. 4 .- The announcement of the failure in Chicago of Moore Bros., promoters of the Diamond Match Company and the New York Biscuit Company, resulted in the prevalence here today of all sorts of rumors concerning the effect upon business at the New York offices of the concerns mentioned. Scores of persons interested in the affairs of the Diamond Match Company visited the offices of that company in Hudson street, of which George Johnson is manager. Johnson was not at the office today, having sent down word that he was sick. Johnson's secretary said that many others besides the Moores own stock and the company will certainly go ahead and fill its orders. The following statement was given out to the Associated Press at the office of the New York Biscuit Company in this

The legislature is surely Democratic by at least two-thirds majority. Heavy Democratic gains were made in the counties in North Alabama. In this portion Goodwin, Populist, ran behind Kolb's vote of 1894. Populist leaders in Birmington claim that thousands of fictitious votes were cast in the black belt and threaten that if Goodwin is not elected they will organize the Populists against Bryan and carry the state for McKinley. There is no doubt trains. that this is the greatest Democratic victory in the state since 1840.
