### A POLITICAL ROW

Four Men Killed and Two Wounded.

### AN ALABAMA SHOOTING SCRAPE

The Montana Republicans Divided—Wisconsin Might Favor Free Coinage of Silver.

OPELIKA, Ala., Aug. 5.—About 5 o'clock yesterday evening George Cumbee, a Democrat, arrived at Five Points from Fayette on horseback, rode up to a crowd discussing politics and yelled "Hurrah for Johnson!" This enraged James Trammel, a Populist, who shot Cumbee. While Cumbee was lying on the ground dying the Populist gang cut his head from his body. Young White and Frank Cumbee, Democrats, fired on the three Trammels, and Sadie White, a Populist, and George Cumbee, a Democrat, were killed. Milt Trammel, Populist, was shot and his condition is unknown. James Trammel, Populist, was shot and will die. Young White, a Democrat, was seriously wounded.

### Montana Republicans Divided.

BUTTE, Aug. 5.—The Republican conference has agreed that the state convention shall nominate candidates for state offices, after which the silver Republicans will withdraw, organize a separate convention and nominate electors for Bryan and Sewall, while those remaining will nominate electors pledged to McKinley and Hobart. The convention will be held September 9 at Helena, six days after the Democratic convention.

### Montana Republicans.

BUTTE, Mont., Aug. 5.—The Republican state committee met today to fix the time and place for the state convention. The meeting was made the occasion for the gathering of prominent Republicans from all parts of the state for consultation as to the best course to pursue as to presidential electors. Senator Mantle is

chairman of the state committee. Several propositions for settling the differences between the McKinley and Bryan men were submitted.

**Wisconsin Republican Convention.**  
MILWAUKEE, Aug. 5.—What promises to be the most exciting political convention ever held in the state was called to order at noon today by Chairman Ed Coe of the Republican state central committee. C. A. Lamoreaux of Ashland was made temporary chairman. "Coming as I do from an iron producing section of the country," Lamoreaux said, "I have no doubt our people would favor the free and unlimited coinage of iron at some arbitrary ratio, and there would be about as much reason in such demand as there is in the demand for the free coinage of silver at 16 to 1." He attributed the present depression to the Democratic tariff policy.

### Admission Will Be Free.

NEW YORK, Aug. 5.—It was announced at Democratic headquarters today that Mr. Sewall would be present at the meeting at Madison Square Garden on the 12th, when W. J. Bryan will be formally notified of his nomination. There has been some doubt as to whether Sewall would be present, but W. P. St. John said today that he would be notified at the same time as Bryan. The admission to Madison Square Garden on the occasion will be free. There will be no tickets required for admission.

### Squire Out for Bryan.

SEATTLE, Wash., Aug. 5.—Watson C. Squire, Republican senator from the state of Washington, has declared in favor of free silver and for Bryan. This declaration was made at an immense gathering of advocates of free silver at the armory tonight, and was welcomed by a tremendous demonstration. The friends of silver, who comprised probably one-half of the audience, repeatedly cheered the announcement. At the same time a zealous supporter of the cause, on the rostrum, drew back an American flag, disclosing a picture of the senator.

The other speakers of the evening were George Turner, of Spokane; Attorney-General Jones, Colonel G. G. Lyon, and A. J. Biethen, formerly of the Minneapolis Penny Press.

### MONEY FOR CUBA. Funds Raised to Further the Fight for Freedom.

PHILADELPHIA, Aug. 5.—It is reported here that the Cuban junta in the United States this week raised a fund amounting to \$375,000. Part of the money has been changed into gold, and is on shipboard bound for Cuba, where it will be placed in the hands of the officers commanding the insurgent army. The balance has been retained by the heads of the juntas in Philadelphia, who will use it in a way that will best serve the Cuban cause.

The contributions were as follows: Jacksonville and other sections of Florida, \$100,000; New York and Brooklyn, \$50,000; Philadelphia, \$25,000; Baltimore, \$10,000; Richmond, \$5000; Washington, \$10,000; Savannah, \$5000; New Orleans, \$10,000; through Chicago and the West, \$10,000; from several Southern points, \$60,000.

### The Discovery Saved His Life.

Mr. G. Caillontree, Druggist, Bearsville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial a Blakeley & Houghton's Drug Store.

### It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called Kidney cures but without any good result. About a year ago he began to use Electric Biters and found relief at once. Electric Biters are especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. At Blakeley & Houghton's Drug Store.

You'll be surprised when you try Hoe Cake soap, and wish we had told you sooner. It is made by patented process.

### Water Famine in Arkansas.

LITTLE ROCK, Ark., Aug. 5.—A water famine exists in large portions of Arkansas and in some sections human beings are actually suffering from the pangs of thirst. There have been isolated thunder showers in various portions of the state recently, but in some counties no rain has fallen since April 13, and the suffering is almost beyond belief. A gentlemen who arrived this morning from an overland trip through Jefferson, Cleveland and Bradley counties says that people in some localities are hauling water for drinking purposes a distance of 25 miles. For an entire day he was unable to buy a glass of water to quench his thirst.

There is nothing that causes women greater discomfort and misery than the constant recurring Headache. Men suffer less with Headache. "My wife's health was very indifferent, having Headache continually, and just two packages of Simmons Liver Regulator released her from all Headache and gave tone and vigor to her whole system. I have never regretted its use."—M. B. DeBord, Mt. Vernon, Ky.

### None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Through trains on the O. R. & N will run via Umatilla, Walla Walla and Pendleton. Through sleepers, first and second class will run in connection with the Union Pacific, the same as heretofore. A through first-class sleeper from Portland to Spokane, connecting with the first-class sleeper to St. Paul and a through tourist sleeper from Portland to St. Paul, will be run in connection with the Great Northern railway.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
